WORLD ENVIRONMENT DAY REPORT

Event Date: 05/06/2024

Event Time: 4.00 pm to 4.30 pm

Venue: Seminar Hall, second floor, K. K. Wagh College of Pharmacy

Objective of the Program: The aim of World Environment Day for students is to foster awareness, education, and proactive engagement in environmental conservation. Encourage students to adopt sustainable habits and lifestyles, such as reducing waste, conserving resources, and using eco-friendly products.

Outcome of the Program: Organizing an Environment Day pledge for college students and staff is a great way to inspire commitment and action toward environmental conservation. This awareness is often the first step towards inspiring further learning and action.

Outline of the Event: World Environment Day, celebrated annually on June 5th, aims to raise global awareness about environmental issues and encourage action to protect the environment. Established by the United Nations in 1972, the day provides a platform for promoting sustainable practices and highlighting the importance of environmental conservation. K. K. Wagh Education Society, K. K. Wagh College of Pharmacy, Nashik arranged an Environment Day pledge for all staff and students in the college. The Google form was also shared with all staff and students. The third year student read the pledge for all the present members. The coordinator for the event was Mrs. D. V. Jain and S. D. Malode.
