Hirabai Haridas Vidyanagari, Amrutdham,
Panchavati, Nashik - 422 003 (M.S)

CERTIFICATE

This is to certify that,

Mr. / Mrs. / Miss. Harshala Sandeep Shinde

(Exam Seat No.: 2254501823107) of F.Y./S.Y./T.Y./Final Year B. Pharm
(Semester- V) has satisfactorily completed practical course of study
as laid down by Dr. Babasaheb Ambedkar Technological University,
Lonere for the subject Pharmacognosy and Phytochemistry-II
during academic year 2024-2025 and this practical record represents the
work done by ~~him~~/her in Pharmacognosy
department within the four walls of this institute.

Date: 9 / 11 / 2024

Subject Incharge

(Dr. A. R. Swang)

Head of Dept.

Principal

K. K. Wagh College of Pharmacy
Nashik -422 003

* Course Outcome

CO1 :- Identify crude drugs by morphological and microscopical characteristics.

CO2 :- Isolate phytoconstituents from crude drugs.

CO3 :- Isolate and analyse volatile oils.

CO4 :- Perform chromatographic technique for isolation & separation.

CO5 :- Analyse unorganized crude drugs by chemical tests.

Experiment No. 1

AIM: To study morphology, microscopy and powder characteristics of given clove flower bud.

Requirements:

Instruments :- Microscope

Chemicals :- Phloroglucinol, conc. HCl,

Apparatus :- Blade, dropper, plane slides, watch glass, Beaker, forceps, pointer, cover slip.

Theory:

1. Section Cutting:-

Transverse Section (T.S.)

- Transverse section is obtained by cutting along the radial plane of a cylindrical portion of the stem/root/stolon & perpendicular to the long axis.
- This section when prepared & observed under a microscope reveals the radial arrangement of tissues & shows concentric layers & vascular bundles.
- In order to reveal the tissue arrangement longitudinally, we have to cut the longitudinal sections.

Longitudinal section

Longitudinal section

↓
Transverse longitudinal section
 (A section cut along the long axis
 parallel to a tangent)

↓
Radial longitudinal section
 (A section cut along the long axis
 & the cutting plane passing through long axis)

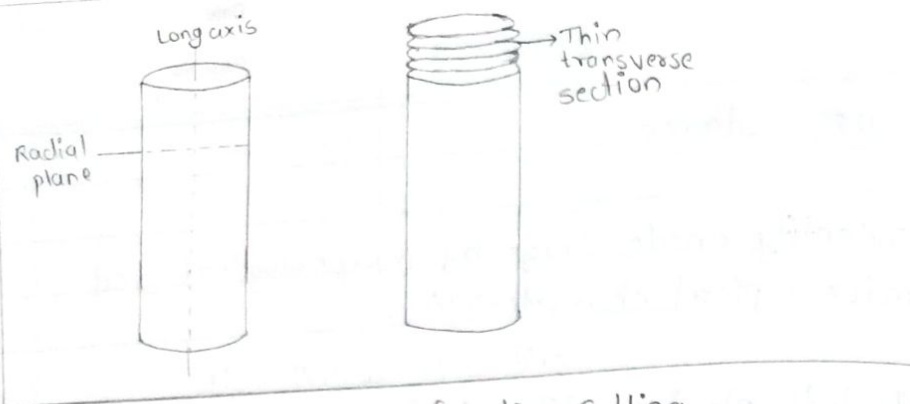

Fig. :- Process of Section Cutting

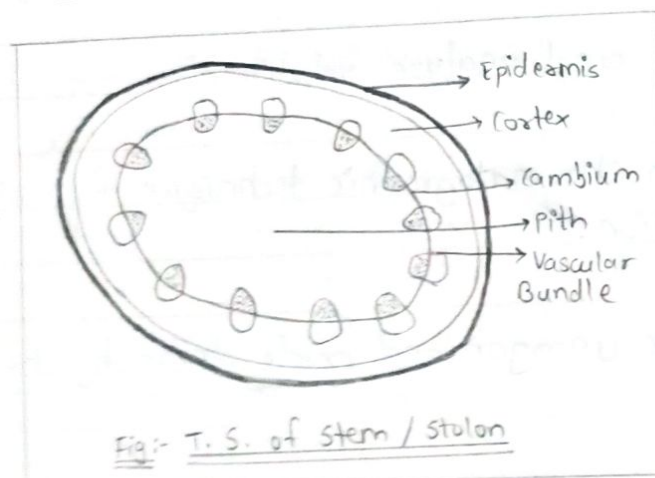

Fig:- T. S. of stem / stolon

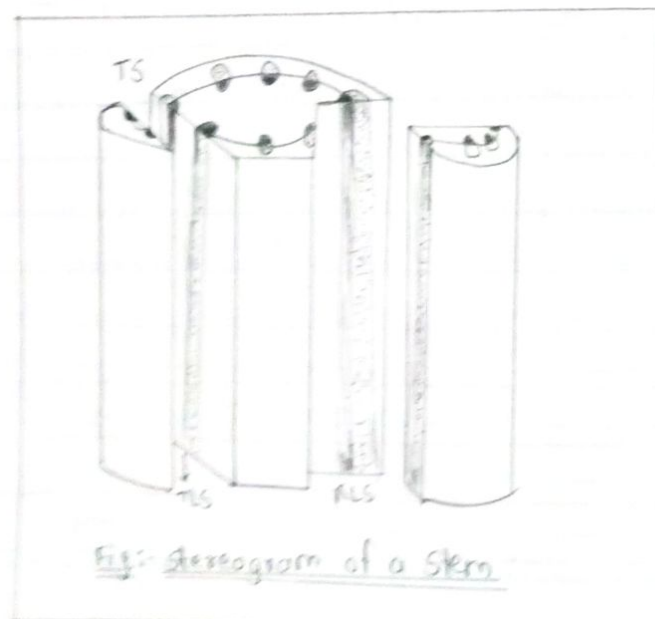

Fig: Stereogram of a stem

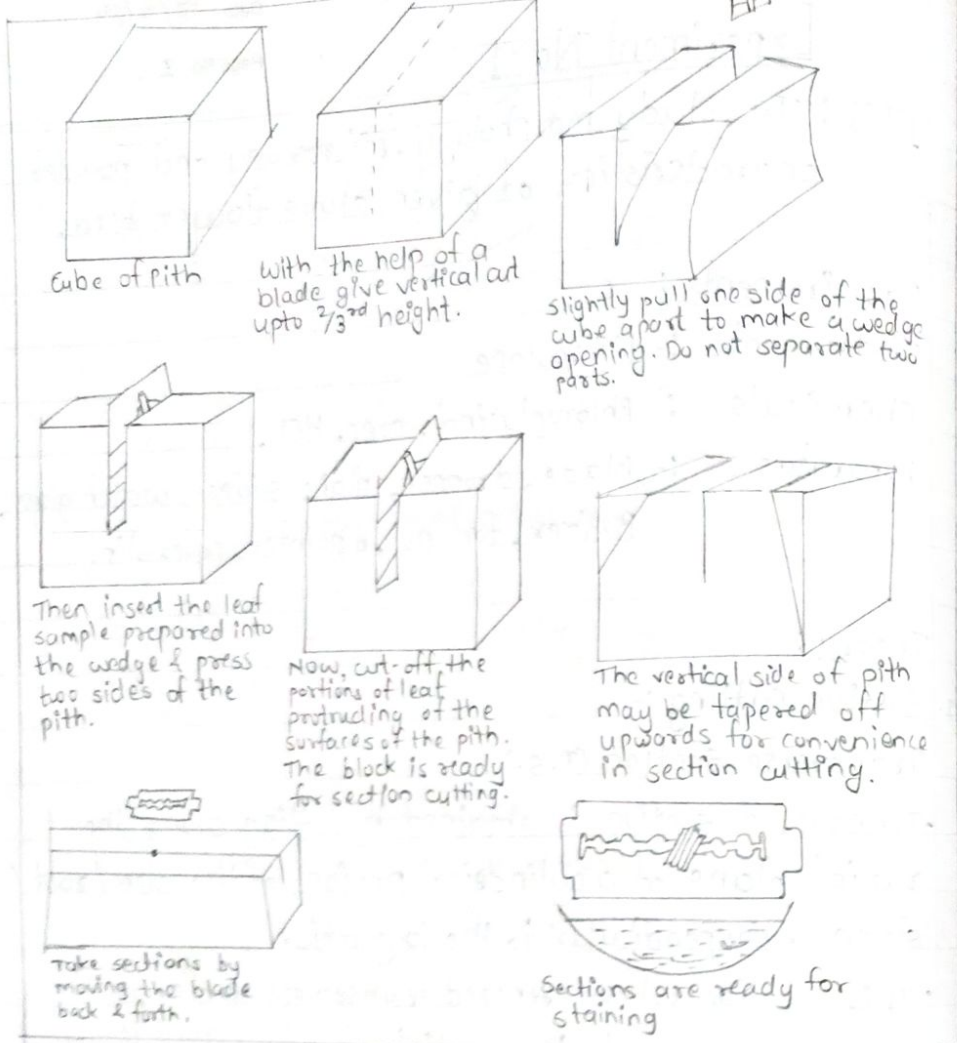

Fig:- Process of Pitting

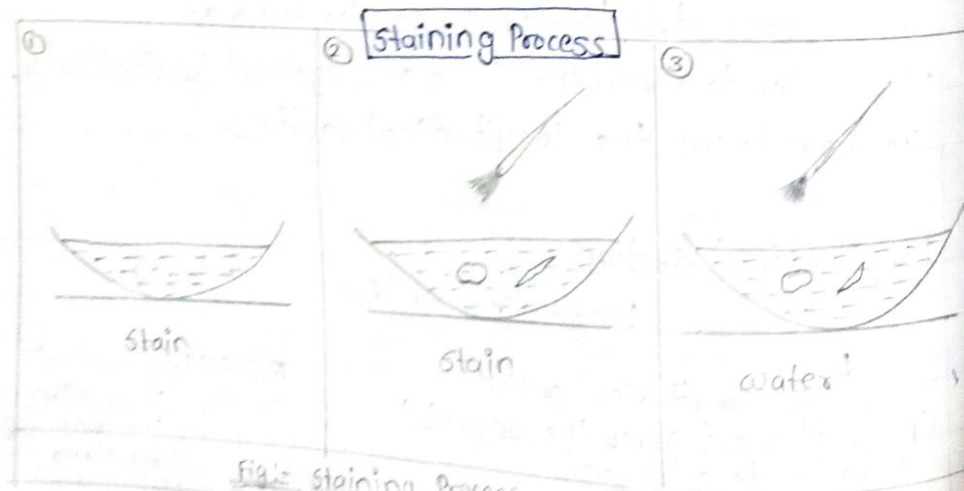

Fig:- Staining Process

In case of a leaf drug, cut a part of the leaf passing through midrib. This cut-off portion may or may not be boiled. Since the lamina of a leaf is very thin, section cutting is difficult. The surface area of the surface to be cut has to be increased. This is done by embedding the sample in a block of pith. This pith is obtained from red pumpkin or raw papaya or potato.

2. Staining Process :-

- Staining is a process in which chemical dyes are used to impart colour to various tissues in a section of drug sample, which enables to distinguish the arrangement of various tissues in the sample.
- The stain is a chemical dye (colorant) which combines chemically or physically with a cell content to impart colour to it e.g:- safranin combines with lignin present in cell wall.

Steps involved:-

- ① Take a clean watch glass & add the staining solution to it.
- ② With the help of a brush, transfer the section taken from water to stain solution & keep for 2-3 minutes.
- ③ Pick up the section after 2-3 mins & transfer it to watch glass containing plain water, so that excess stain is washed

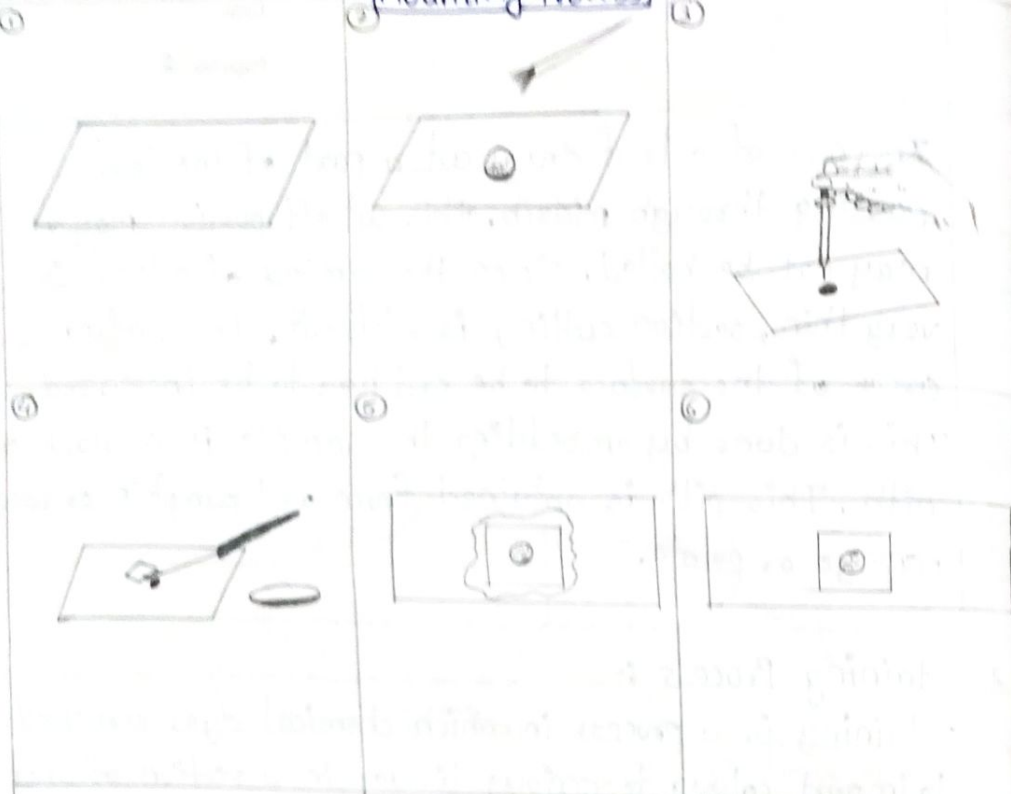

Fig. :- Mounting Process

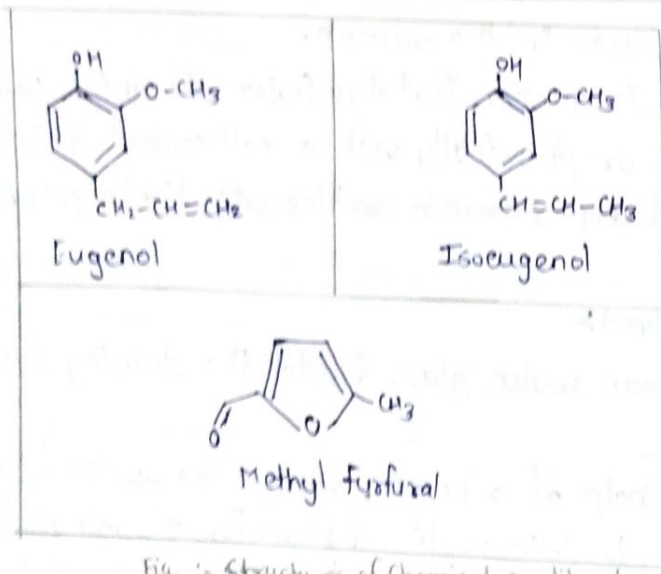

Fig. :- Structures of Chemical Constituents

away. This section is ready for mounting on a slide

3. Mounting Process :-

- ① Take a clean glass microslide
- ② on this slide transfer the section to be mounted, with the help of a brush.
- ③ Add one or two drops of water on the section with a dropper. See that the section is submerged in the water.
- ④ Take a clean coverslip with the help of a forcep & needle. Place the coverslip on the section gently.
- ⑤ If any air bubbles are seen, slightly lift the cover slip & add a drop of water & replace the coverslip till the air bubble is removed.
- ⑥ With the help of a blotting paper, wipe off excess water present outside the coverslip. The slide is ready for observation.

Clove

Synonym : Lavang

B.S. : It consist of dried flower buds of *Eugenia caryophyllus*. Family - Myrtaceae. It contains not less than 15% v/w of clove oil.

Chemical constituents : Volatile oils - Eugenol, isoeugenol, methyl & dimethyl fufural, α & β caryophyllins

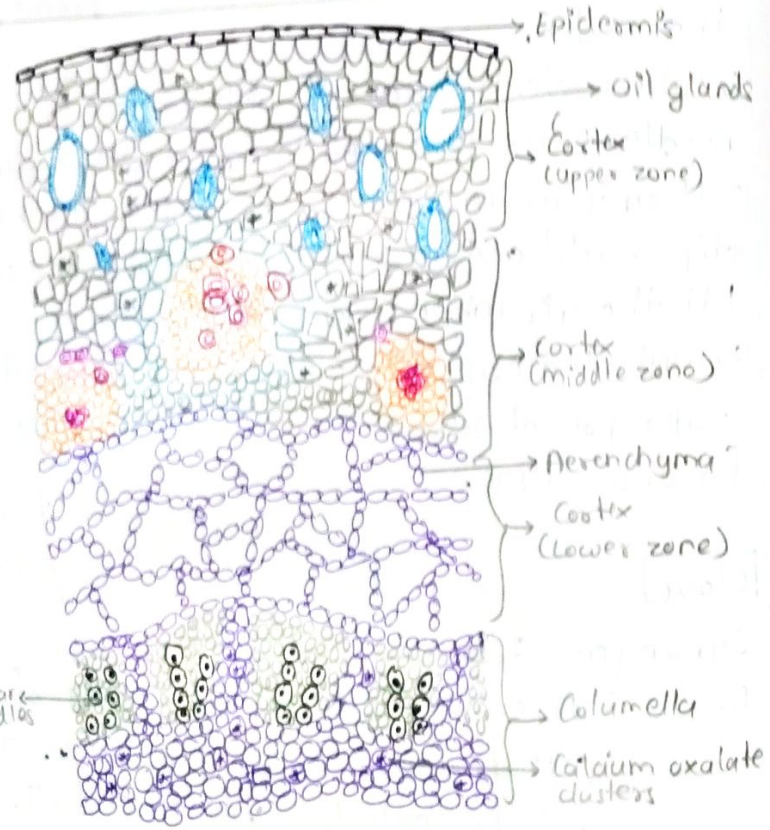

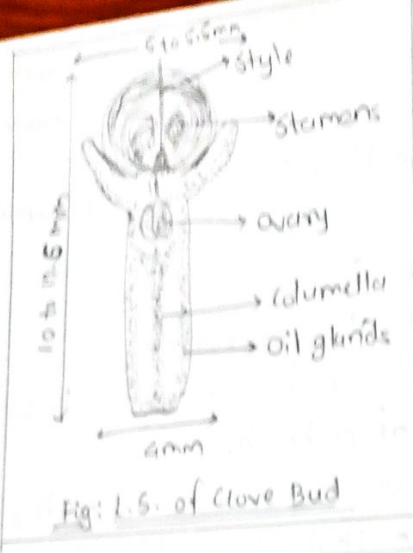

Fig:- T.S. of Clove Bud (passing through columella)

Hydrolysisable tannins.

Uses : Clove is used as carminative, aromatic, stimulant, antiseptic, flavouring agent, dental analgesic, etc.

Morphology :

Colour - Dark brown or crimson red.

Shape - sub-cylindrical, slightly flattened

Taste - Spicy-pungent

odour - Aromatic

Microscopy :

① Epicormis :- It is a single layer. It has straight walled cells with anomocytic (annular) stomata, very thick cuticle.

② Cortex :- It consists of 3 zones -> upper zone contains radially arranged parenchymatous cells with 2-3 layers of big, ellipsoidal, schizolysigenous oil glands. Parenchymatous cells contain tannins hence show dark colour when stained with ferric chloride.

ii) Middle zone or region containing a ring of bicollateral vascular bundles where xylem is composed of three to five lignified spiral vessels. About 15 vascular bundles are present in ring. Isolated pericyclic fibres (lignified) may be present around the vascular bundle. Fibres are prominent & show distinguished pink colour on staining.

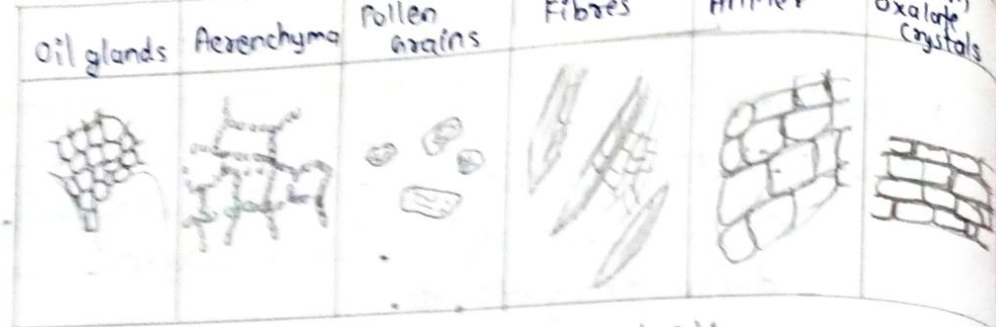

Fig: Microscopic Characteristics

Chemical Tests:

Sr. No.	Reagents	Observation	Characteristics
1.	Phloroglucinol + conc. HCl (1:1)	Pink	Vascular bundles and fibres
2.	Sudan Red III	Red	Cuticle, oil glands

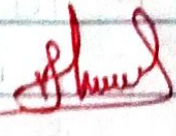

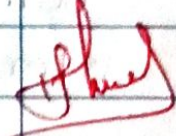

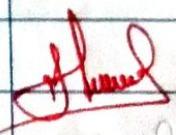

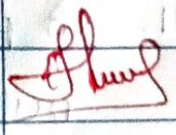

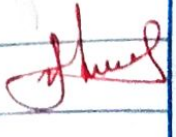

- iii) lower zone or inner zone of parenchyma, composed of air spaces (aerenchyma), separated by lamellae, one cell thick which supports the central columella.
- ③ Columella :- Parenchymatous, rich in calcium oxalate clusters; a ring of vascular bundles towards periphery. 25-30 small vascular bundles are present at periphery. In T.S., instead of columella, 2 bean shaped lobes with ovules will be seen in the center.

Microscopical Characteristics:

- i] Oil glands - Fragments of aerenchyma showing long oval schizolysigenous oil glands.
 - ii] Aerenchyma - Portion of loose parenchyma with air spaces.
 - iii] Pollen grains - Diameter: 15 to 20 μ small, biconvex, rounded or triangular in shape.
 - iv] Fibres - Sclerenchymatous fibres with parenchymatous cells.
 - v] Anther - Fibrous layer of anther with articulated cells.
 - vi] Calcium oxalate crystals - Sphaerophides.
- No starch grains present.

Result: The morphology, microscopy and powder characteristics of clove flower bud were successfully studied.

• Synopsis

- 1) Give the principle of Gram staining.
→ Gram staining is one of the most important & widely used differential, which was discovered by Christian Gram in 1884. This technique divides bacteria into two groups.
- 2) Enlist examples of gram negative bacteria.
→ E. coli, P. aeruginosa, S. typhi, N. gonorrhoeae, V. cholerae, K. pneumoniae.

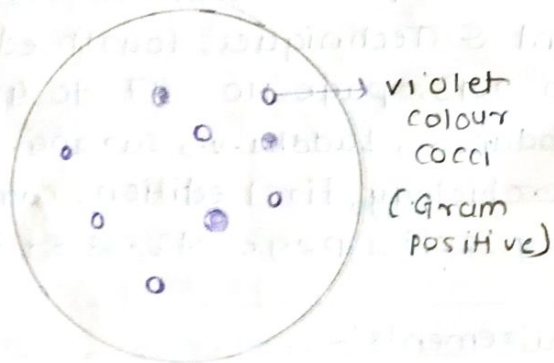

Experiment No. 6

Date: 22-8-24

Page No. 31

- Aim:- To study given sample of micro-organism by gram's staining technique.
- Reference:-
 - 1) Kokare. C., pharmaceutical microbiology Experiment & Techniques, fourth edition, Nashik, Feb-2013, page No. 47 to 49.
 - 2) Mandan. S., Laddha. V., Surana. S., pharmaceutical microbiology, first edition, career publication, may 2017, page No. 3.6-3.9.
- Requirements:-
 - Bacterial cultures:- A] Escherichia coli or B] Staphylococcus aureus.
 - Stains:- Crystals violet & safranin.
 - Reagents:- Gram's iodine, ethyl alcohol (95%)
 - Apparatus:- Staining tray, Bunsen burner, inoculating loop, glass slide.
 - Equipments:- Microscope.
- Principle:-
Gram staining is one of the most important & widely used differential staining, which was discovered by Christian Gram in 1884. This

• observation:-

Technique divides bacteria into two groups.

- i) Gram-positive :- Those which retain primary stain like crystal violet & appear deep violet in colour.
- ii) Gram-negative :- Those which lose the primary stain on application of decolouriser & take the colour of counterstain like safranin or basic fuchsin, appear red colour.

• stains used in Gram staining:-

- 1) Primary stain (crystal violet)
- 2) Mordant (Gram's Iodine)
- 3) Decolourising agent (ethyl alcohol, 95%)
- 4) counterstain (safranin)

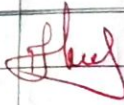

• Procedure:-

- 1) prepare a smear from provided bacterial suspension on a clean grease free slide.
- 2) Allow smears to air dry & then heat fix in the usual manner.
- 3) cover the smear by crystal violet (primary stain) & keep for 1 min
- 4) wash the smear with water & cover it with Gram's iodine (mordant) for 1 min.
- 5) wash the smear with water & decolourise

with 95% ethyl alcohol very carefully till the washing does not contain violet colour

- 6) For normal smear 10 to 15 seconds are enough. Rinse the smear with water & counterstain with safranin or diluted carbol fuchsin for 1 min.
- 7) Wash the smear with water & allow it to air dry.
- 8) Put a drop of oil on smear & examine under oil-immersion objective.

• Result: - The given sample of micro-org. anisms were studied by gram staining technique.

Induction Programme Report 2023-24 for F.Y. Pharm Students

K.K. Wagh College of Pharmacy has organized the Induction Program. To make the transition smooth from their pre-university academics to professional curriculum this program was arranged. After rigorous training and planning required to join a professional college, students deserve time to unwind themselves to forge new relations with fellow students and familiarize themselves with the new environment. The seven days Programme (09 Sep 2023 – 16 Sep 2023) was conducted by the team of faculties of the institution. Total 95 students participated enthusiastically and benefited from the program.

The students were provided the brief view of various dimensions of pharmacy and the career opportunities in the field and the systems and procedures of the college to ease their changeover to the pharmacy course and they also had few refreshing sessions like music meditation and musical program.

Objectives of Program

1. To help the pharmacy students adjust and feel comfortable in the new academic environment.
2. To furnish students with the culture of the institution.
3. To promote holistic development through the exposure of wide range of curricular, co-curricular and extracurricular activities.
4. To help newcomers build progressive and emotional bonds with peers and faculty members.
5. To help them explore academic interest and goals for excellence in academics.
6. To let them hear from the industrial experts.

Day 1 (09 Sep 2023)

The induction program commenced on 09th of September 2023 with a warm welcome of the students by the staff members. In presence of the President of the programme Dr. N. S. Patil (Project Officer K. K. Wagh Education Society) and the chief guests of the programme Mr. Sandeep Suryavanshi & Mrs. Shilpa Suryavanshi the programme was opened by lamp lighting and saraswati poojan. Ms. P. S. Pagar being the class teacher of first year B. pharmacy gave a welcome speech for the students. Dr. N. S. Patil also addressed the students and wished them for the new academic journey ahead. Principal Dr. K. S. Salunkhe welcomed the students and motivated them for this exciting journey. Dr. A. P. Bedse Academic coordinator, gave presentation on Know Your Institute. She has created awareness about various co-curricular, extracurricular and achievements of the institute. She also briefed about the facilities and schemes available.

During the first session Mr. Sandeep Suryavanshi & Mrs. Shilpa Suryavanshi shared their industrial experiences and enlightened the students regarding different aspects of work in Pharmaceutical industry. They also introduced the students to different departments and different job profiles in industry.

During the second session Ms. D. K. Kadam welcomed the students and explained Exam Curriculum, Exam System, Marking System, CAS, Tutorials, Sessional Exam, and Practicals. She also presented the previous result analysis and track record of the college in the region. The detailed examination scheme, credit and grading system, rules related to internal and university examination were explained to the students. The doubts of the students were satisfactorily addressed during the session.

During the third session Dr. V. G. Bhamare conducted the session to explain the students about academics and discipline in the institute by describing different activities conducted to maintain these two important topics.

Day 2 (11 Sep 2023)

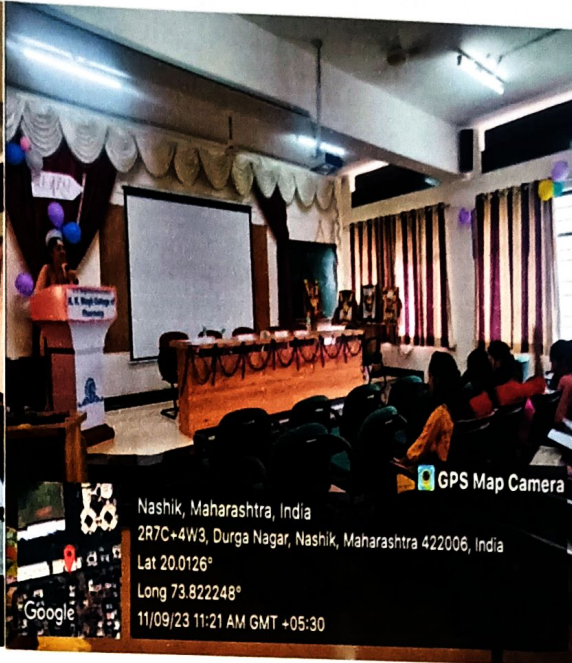

On the second Day of Induction On the second day of the Induction Programme, Dr. Anjali Bedse, Head of Pharmaceutics, presented the importance of pharmaceutics to pharmacy as well as key points concerning the Department of Pharmaceutics.

In the second session Dr. Pratibha Chandak took the session on Skills to enhance Academics and Emotions in Career. Dr. Pratibha Chandak introduced the students to Life Management Skills She also discussed the importance of psychological well-being in academics.

During the third session Mrs. K. P. Baviskar conducted the session to introduce the students

about mentor mentee pattern which is followed in college and the students were distributed between the groups of their respective mentors. In the next session Mrs. K. P. Mahajan conducted the session on orientation of Pharmacology. She broadly explained the scope of Pharmacology discussed different aspects. In the next session Ms. Sharada Shinde took the session to explain about Library in College. She explained how many books are available for different subjects in our Library and how they are issued and deadlines for the same.

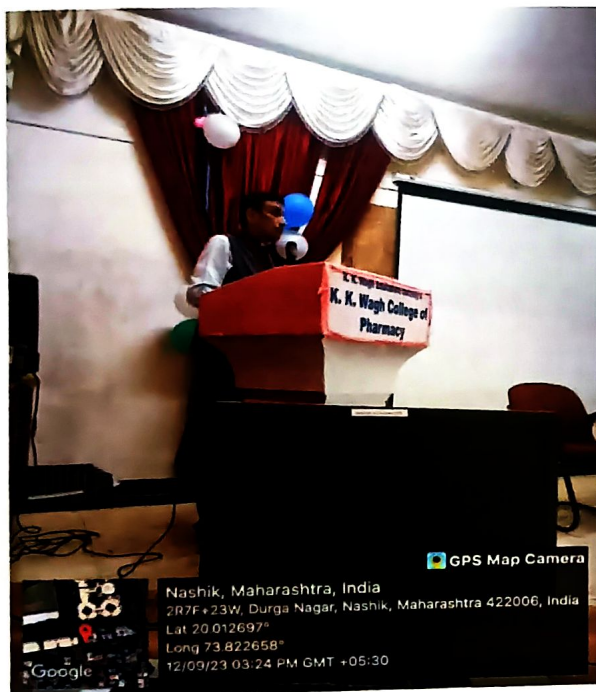

Day 3 (12 Sep 2023)

On the Third day of Induction Program Dr. D. D. Patil gave a brief overview of the Pharmaceutical Chemistry Department by conducting the session for Orientation of Pharmaceutical Chemistry.

During the second session, Dr. A. R. Surana conducted the session for Orientation of Pharmacognosy. He gave an introduction for Pharmacognosy. He broadly discussed the scope of Pharmacognosy which includes the scientific study of crude drugs, medicinal products and excipients.

During the third session Mrs. Archana Deshmukh took a session on topic of Gender Sensitization to make the students aware about different activities conducted as a part of this topic.

In the next Session Dr. P. K. Shahabadkar took a session to explain the Training and Placement activities to students. He did discuss how to prepare to be a competent candidate for the upcoming opportunities.

Day 4 (13 Sep 2023)

On the fourth day of Induction program the session of Alumni Interaction was arranged to guide the students about different challenges in this academic journey. Mr. Saurav Karanjkar one of College Alumni took this session and answered all the questions of students.

The next session was of Music Meditation Therapy. Mr. Raj Bambani conducted this session as a refreshment activity and guided the students about how to heal your mind and improve concentration.

In the third session Ms. Sanika Lohar took the session about ERP. She cleared all the doubts of students about ERP.

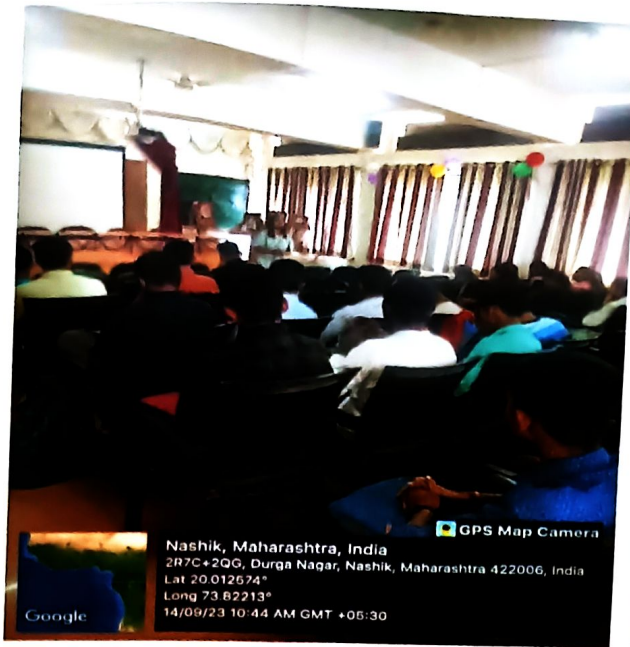

Day 5 (14 Sep 2023)

On the fifth day of Induction Program, the series of sessions started with an experience sharing activity. The newly admitted students were told to share their experiences about the new college, friends and faculty. Then this session was continued with a session of an Oath ceremony. Ms. P. S. Pagar conducted the Pharmacist's Oath Ceremony for students.

In the next session students were introduced to the Universal Human Values. Dr. Y. S. Patil took the online session to guide students and cleared all their doubts. He also conducted few activities for the students.

The third session was about the topic Nutrition. In this age it is very essential for students to keep the track of their Nutrition in order to excel in this academic journey. With this motive this session was organised. Mr. Prashant Vitnor, Nutritionist, Kolhar conducted this session about Nutrition for students.

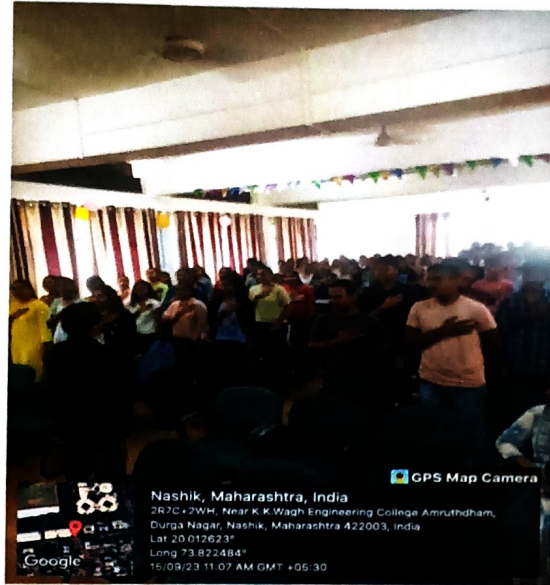

Day 6 (15 Sep 2023)

On the sixth day of Induction Programme during the first session an Industry Expert Dr. Nitin Patil took the session for students to guide them about Career opportunities and motivated them for excellence.

In the Next session Dr. Nilesh Jejurkar introduced the students to the topic of Behavioural aspects. He also guided them about how to deal with emotional challenges.

The next session was College Campus Tour. Ms. P. S. Pagar took the students for college Camus Tour and introduced them to Play ground, Activity area, Idea lab, Herbal garden, Canteen, Gymnasium and all the different sections of College.

Day 7 (16 Sep 2023)

On the last day of Induction Programme a Musical Programme was organized for students to give them a soothing Musical experience and have a musical ending to an Induction Program. Mr. Anand Atre & team conducted this musical session and also added some knowledge about music.

In the last session of Induction program a session of Industrial Expert Dr. Amit Asati was organised. He interacted with students and answered all their queries about career in industry.

Report on

1st KKWagh PHARMACON One Day National Level Conference On “Global Regulatory Strategies in Pharmaceuticals”

In association with: IQAC Cell K. K. Wagh College of Pharmacy Nashik

Date: 02/03/2024

Time: 09.00 am to 06.30 pm

Venue: Seminar Hall, K. K. Wagh College of Pharmacy, Nashik.

Resource Persons:

1. Mr. Amit B. Khodke
Manager, Regulatory Consulting
Clarivate, Hyderabad Laxmi Sharma (Trainer Rubicon Life Skill)
2. Dr. Shreekant R. Naik
Manager, Regulatory Affairs,
Fryer Software Services Private
Limited, Hyderabad
3. Mr. Manoj H. Alai
Global Regulatory Affairs-Labeling
Team Leader
Fryer Software Services Private
Limited, Hyderabad

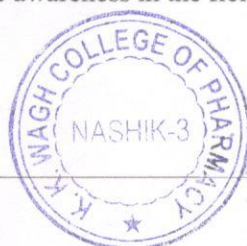

Judges for Poster Presentation:

Mr. Rohan Pawar Director, RAP Analytical Nashik

Dr. Sachin Kushare Research Scientist F & D Glenmark Pharmaceutical Nashik

Objective of the Program:

The conference has been outlined with an objective to understand the aspects and demand of regulatory affairs in pharmaceutical Industry. The strategy, support, development and marketing aspects that set up the tone of pharmaceutical product is being explained from the perspectives of regulators and the session will help to create awareness in the field.

K. K. WAGH COLLEGE OF PHARMACY

Student Notice

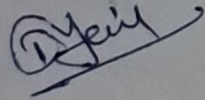

Subject: HPLC Demonstration Session

All the final year students of B. Pharm are hereby instructed to attend a demonstration session on High-Performance Liquid Chromatography (HPLC) that has been organized from 02/07/2024 to 03/07/2024 at Central Instrumental Room, K. K. Wagh College of Pharmacy, Nashik.

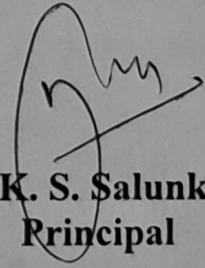

Attendance is compulsory for all final-year students.

Demonstration schedule:

Sr. No.	Batch	Date	Time
1	Roll No. 1 to 28	02/07/2024	10:00 am to 01:00 pm
2.	Roll No. 29 to 56	02/07/2024	02:00 pm to 05:00 pm
2	Roll No. 57 to 84	03/07/2024	10:00 am to 01:00 pm
3	Roll No. 85 to 113	03/07/2024	02:00 pm to 05:00 pm

HANDS-ON TRAINING PROGRAM (HPLC) REPORT

Event: HPLC Demonstration

Event Date: 02/07/2024

Event Time: 10.00 am

Venue: Central Instrumentation Room, Mezzanine floor, K. K. Wagh College of Pharmacy

Objective of the Program: The objective of this HPLC demonstration was to provide a comprehensive understanding of the principles, operation, and applications of High-Performance Liquid Chromatography. To provide a step-by-step walkthrough of the HPLC instrument setup, including sample preparation, injection, and system calibration.

Outcome of the Program: Organizing the session on HPLC demonstration, Participants were gained a solid grasp of the fundamental principles of HPLC, including the mechanisms of separation, and the roles of stationary and mobile phases. Participants were familiar with the components and operation of HPLC equipment, including the pump, injector, column, detector, and data system. By the end of the HPLC demonstration, participants were equipped with the knowledge and skills necessary to effectively use HPLC in their analytical tasks, contributing to their professional development and the success of their scientific endeavors.

Outline of the Event: The session on HPLC demonstration was arranged by the K. K. Wagh College of Pharmacy, Nashik on 02nd July 2024 for the final year students of B. Pharmacy to increase the hands-on experience for sophisticated instruments. Dr. D. D. Patil, Head of the Pharmaceutical Chemistry Department addressed the students and gave guidance for the HPLC instrument handling. The coordinator for the event was Mrs. D. V. Jain.

No. of Participants: 40

Report on

5 Days GPAT workshop

In association with: Infinity education Nashik & IQAC Cell

Date: 21/02/2024 to 26/02/2024

Time: 10.00 am to 05.00 pm

Venue: Seminar Hall, K. K. Wagh College of Pharmacy, Nashik.

Resource persons:

Mr. Rohan Pawar (Director of RAP analytical lab)

Dr. Sachin S. Kushare (Research scientist, Glenmark Pharmaceuticals Ltd.)

Dr. Santosh S. Chhajed (Associate professor, METs institute of Pharmacy, Nashik.)

Objective of the Program:

The program aims to familiarize students with the GPAT examination pattern and syllabus, impart effective study techniques and time management & address student queries and concerns regarding the examination, conduct mock test and practice sessions to assess students understanding & preparedness.

Audience:

No. of students Benefited with class: 162 students of T.Y B. Pharm & Final Year B. Pharmacy

No. of Faculty/Staff Benefited: -

Outcome of the Program:

The GPAT workshop provided students with valuable insights strategies and resources to enhance their preparation for the examination. The interactive sessions mock tests & expert guidance contributed to a comprehensive learning experience, equipping students with the confidence and skill necessary to excel in the GPAT exam.

Notice

All student of TY and Final Year B. Pharmacy hereby informed K. K. Wagh College of Pharmacy has organized 5 days GPAT workshop From 21st to 26th Feb.2024 in Collaboration with Infinity Education, Nashik. The GPAT workshop will be conducted by Infinity education.

All student of TY and Final Year Pharmacy pay the fees Rs. 100/- to Ms. S. S. Patil upto 22.02.2024. Attendance is mandatory to all.

The workshop will cover following points-

Day	Date	Subject/Topic
Day 0	Tuesday, 20 February 2024 (In evening)	- Student Enrolment on Infinity Education App. - Pre – Session Cognate GPAT test
Day 1	Wednesday, 21 February, 2024	- GPAT Preparation - Shorter & Quicker - Obligatory Pharmacology - Obligatory Medicinal Chemistry I - MCQ Test of Above Subjects/Solution/Ticks to solve MCQ's (If time Permits)
Day 2	Thursday, 22 February, 2024	- Obligatory Pharmaceutics (Includes Microbiology, Physical Pharmacy, Chemistry, Engineering, Cosmetics, Jurisprudence) - MCQ Test of Above Subjects/Solution/Ticks to solve MCQ's (If time Permits)
Day 3	Friday, 23 February, 2024	- Basics of Organic Chemistry - Obligatory Medicinal Chemistry - MCQ Test of Above Subjects/Solution/Ticks to solve MCQ's (If time Permits)
Day 4	Saturday, 24 February, 2024	- Obligatory Pharmacognosy - Obligatory Pharmaceutics (Core Pharmaceutics, Biopharmaceutics & pharmacokinetics) - MCQ Test of Above Subjects/Solution/Ticks to solve MCQ's (If time Permits)
Day 5	Monday, 26 February, 2024	- Obligatory Pharmaceutical Analysis - How to appear for GPAT 2024 - Exam Day Strategies - Smart Tips and Tricks for GPAT 2024 - MCQ Test of Above Subjects/Solution (If time Permits)

WORLD HEALTH DAY

Event: Blood Donation Camp

Event Date: 12/04/2024

Event Time: 11.00 am to 02.00 pm

Venue: Seminar Hall, second floor, K. K. Wagh College of Pharmacy

Objective of the Program: World Health Day is celebrated each year on 7 April to mark the anniversary of the founding of the World Health Organization (WHO) and to highlight a priority area of global public health concern.

Outcome of the Program: On the occasion of World Health Day, Blood donation camp was organized by the institute in which the staff and students of B. Pharmacy and D. Pharmacy have participated. Blood can save millions of lives, and young people are the hope and future of a safe blood supply in the world. Blood transfusion is crucial for health care systems, which contributes to rise in life expectancy and quality of life of people experiencing acute critical illness or chronic diseases.

Outline of the Event: April 7 of each year marks the celebration of World Health Day. From its inception at the First Health Assembly in 1948 and since taking effect in 1950, the celebration has aimed to create awareness of a specific health theme to highlight a priority area of concern for the World Health Organization. On the occasion of World Health Day, K. K. Wagh Education Society's, K. K. Wagh College of Pharmacy in association with MH. Gov. Regional Referral Hospital, Nashik arranged a blood donation camp for all staff and students of B. Pharmacy and D. Pharmacy including the engineering campus in the Pharmacy college. Hon. Mr. Ajinkya B. Wagh and Mr. Puri inaugurated the event. The Principal, K.K. Wagh College of Pharmacy, Staff, and students participated in the event by donating blood. Certificates of appreciation were also distributed to the donors. The coordinator for the event was Dr. P.R. Shirode and Mrs. D.V. Jain. Participants were enthusiastic about the blood donation camp.

No. of Participants: 104

No. of Blood Donor: 64

WORLD ENVIRONMENT DAY REPORT

Event Date: 05/06/2024

Event Time: 4.00 pm to 4.30 pm

Venue: Seminar Hall, second floor, K. K. Wagh College of Pharmacy

Objective of the Program: The aim of World Environment Day for students is to foster awareness, education, and proactive engagement in environmental conservation. Encourage students to adopt sustainable habits and lifestyles, such as reducing waste, conserving resources, and using eco-friendly products.

Outcome of the Program: Organizing an Environment Day pledge for college students and staff is a great way to inspire commitment and action toward environmental conservation. Students gain a better understanding of environmental issues such as climate change, pollution, and biodiversity loss. This awareness is often the first step towards inspiring further learning and action.

Outline of the Event: World Environment Day, celebrated annually on June 5th, aims to raise global awareness about environmental issues and encourage action to protect the environment. Established by the United Nations in 1972, the day provides a platform for promoting sustainable practices and highlighting the importance of environmental conservation. K. K. Wagh Education Society, K. K. Wagh College of Pharmacy, Nashik arranged an Environment Day pledge for all staff and students in the college. The Google form was also shared with all staff and students. The third year student read the pledge for all the present members. The coordinator for the event was Mrs. D. V. Jain and S. D. Malode. Dr. P. R. Shirode also guided the event.

No. of Participants: 101

Environment pledge:

Have you taken the pledge?

ENVIRONMENT PLEDGE

I will make every endeavour to turn the earth a greener, healthier and better place for all living beings.

I will do my part by helping to preserve natural composition of air, water, soil and fauna and flora.

I am committed to Recycle material, Reuse products, Reduce energy consumption and Manage disposal of garbage to ensure low emission of harmful substances to air, water and soil since I believe that small positive changes can make a vast difference.

I promise to uphold eco friendly values and a cyclic lifestyle to achieve my mission.

I also make it a point to educate and influence those around me in order to preserve the natural beauty of earth and its resources for the future generations.

National Educational Day Report

Event Date: 11/11/2023

Event Time: 12.00 noon

Venue: Seminar Hall, K. K. Wagh College of Pharmacy, Nashik.

Objective of event: The objective of celebrating National Education Day is described as strengthening India's educational institutions & to enhance and improvise the quality of education for students in the country.

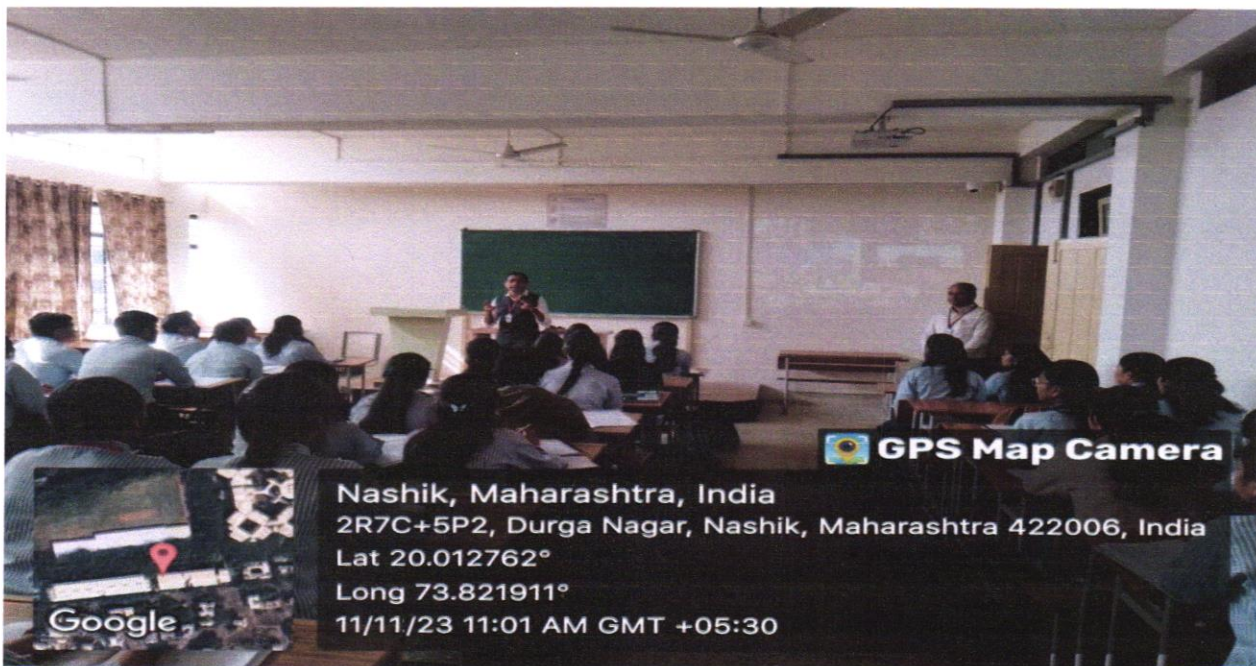

Outcome of Event: Students understood the importance of education and how we can work towards making education a priority and easily accessible for all.

Outline of event: It is to commemorate the birthday of Shri Maulana Abul Kalam Azad, by recalling his contribution to the cause of education in India. Hence it is being celebrated since November 11 from 2008 onwards. On the occasion of Education Day celebrated Mr. M.R. Pawar discussed importance & History of National education day.

Number of Participants: 52

Event coordinators: S. D. Malode

World Creativity and Innovation Day- Report

Event Date: 22/04/2024

Event name: World Creativity and Innovation Day

Platform: Online

Objective of event:

World Creativity and Innovation Day, is celebrated globally on April 21st since 2018, aims to raise awareness about the importance of creativity and innovation in solving global challenges and improving the quality of life for people around the world. The day encourages students to embrace creativity and innovation as essential tools for economic growth, sustainable development, and societal progress.

Outcome of Event:

Increased Awareness: The celebration can raise awareness about the importance of innovation and creativity in addressing global challenges and driving progress in various fields.

Inspiration and Motivation: World Innovation and Creativity Day have inspired students to unleash their creative potential and pursue innovative ideas, projects, and ventures, thereby fostering a culture of innovation and entrepreneurship.

Outline of event:

The event was organized by the Institute Invocation Cell of K. K. Wagh College of Pharmacy, Nashik and celebrated at Seminar Hall of K. K. Wagh College of Pharmacy, Nashik on 22nd April, 2024 at 12 noon. On this occasion, Dr. A. P. Bedse delivered a presentation on the topic of Innovation and Creativity which included How do we celebrate World Creativity and Innovation Day, different types of Innovation, different Fields of Innovation, different Raising Finance for Startups & Entrepreneurial Finance which includes Mudra Yojana, Crowdfunding, Bootstrapping, Angel Investor and Seed Funding, Venture capital (VC) funds, Private equity (PE), etc. Final Year student Siddharth Kale explains a Business model to the gathering. The event was organized by Dr. A. P. Bedse and Ms. D. K. Kadam.

Number of Participants: 81

Meeting ID: 977 2543 2078

Passcode: 446356

Objective of event:

World Intellectual Property Day, celebrated on April 26th, 2024 with the objective to raise awareness about the importance of intellectual property rights in fostering innovation, creativity, and educate students about the role and benefits of intellectual property rights.

Outcome of Event:

The expert talk can raise awareness among students for start-up and about the importance of intellectual property protection for their innovations, products, and brands. Attendees gained a better understanding of different types of IP rights, such as patents, trademarks, copyrights, and trade secrets. This session also created awareness about Government schemes available to give financial support to Startup.

Outline of event:

The expert talk was arranged on the topic "Role of IPR in Start-up Ecosystem." The speaker for the same was Mrs. Prajakta Jangle, Senior Executive IPR, PROT9 Materials, Mumbai. The session was arranged on online platform- through Zoom meeting. Madam has explained about the Importance of Intellectual Property (IP) for Startups, Types of Intellectual Property, different types of IP rights, such as patents, trademarks, copyrights, and trade secrets. Dr. A. P. Bedse delivered a vote of thanks. The event was organized by Dr. A. P. Bedse and Ms. D. K. Kadam.

Our startups

- ANYA**: Oral administration of peptides and proteins with a special feature of no chemical modification of the active peptide compound.
- REPLI GENE**: Business of preparing, manufacturing of biologics, gene therapy, plasmids, vaccines, immunogens and phycogens (strains of single and mixed bacterial cultures).
- QRL**: Next generation innovative solutions for controlling healthcare associated infections (HAI) in patients and healthcare environments and cell therapy for DFU.
- ACASTRY**: Scientific and medical writing for academia, pharma and life science industry.
- NDF**: Functional foods - food and beverage products using organic natural vegetables, fruits, pulses and grains, avoiding any artificial preservatives, colours or flavours - low fat and high nutrition for weight loss and inflammatory conditions.

Women founder / Co-founder

Key Focus Areas...

- Novel drug delivery systems and technology
- Tailor-made equipment and technologies, Packaging solutions
- Novel APIs, Excipients, Phytopharmaceuticals, Nutraceuticals
- Novel testing tools, Medical devices and Diagnostics for specific diseases
- Healthcare tools and solutions - Medicines (Pharma and Biopharma), Patient care
- AYUSH (Ayurveda, Yoga, Unani, Siddha, Homeopathy), Paramedical sciences, Food and nutrition, etc.
