7.1.5 Report for Plastic Free as an initiative of greening the campus

PLASTIC FREE DAY ACTIVITY REPORT

International Plastic Bag Free Day is observed every year on July 3rd to increase awareness about the detrimental effects of disposable plastic bags on the environment. With the objective to foster awareness regarding harmful effects of plastic and to promote minimum usage of plastic, rally was organized on 03/07/2023 in the campus where in students and staff participated enthusiastically for the same. Students also collected plastic garbage from the campus.
