World Health Day Report

Date: 08/04/2023

Time: 12:00 PM to 1:00 PM

The objective of the programme : World Health Day is a global health awareness day celebrated every year on 7 April. The objective of the program is to spread awareness about the health in students and staff

The outline of the Programme: K.K. Wagh college of Pharmacy has organized World Health Day 2023 Program on 8th April 23. It is celebrated annually and each year to draw attention to a specific health topic of concern to people all over the world. The date of 7 April marks the anniversary of the founding of WHO in 1948. The theme for the World Health Day 2023 is "Health for All." The aim of the theme is to create an opportunity for the world to look back at public health successes that have helped improve the quality of life over the past 70 years. On this occasion Dr. Prajakta Saindhane, Medical Officer was invited as eminent speaker. Speaker explained the students and staff members the importance of health, hygiene, exercise and diet. Additionally she also discussed about COVID 19 symptoms and measure can be taken to prevent it.

Outcome of the Programme : The students were motivated to maintain a good health for self and society with the help of diet, exercise and hygiene.

Number of participants: 89

Report on Expert Session on

“Healthcare Management – Retrospect and opportunities”

Date: 09/11/2022

Time: 11.00 am to 01.00 pm

Venue: Seminar Hall, K. K. Wagh College of Pharmacy, Nashik.

Resource persons:

1. **Dr. Rohan Kesarkar** (Assistant Professor, Welinkar Education, Mumbai)

Objective of the Program: To create awareness about the course named Healthcare management, eligibility for the course, any qualifying examination and further opportunities upon completion of the course.

Audience: Third and final year B. Pharmacy students (Total no: 62)

Keynotes by speaker:

The speaker has introduced about the emerging field named Healthcare Management as a growing industrial sector anticipated seeing a growth of 22% in the decade. Healthcare management is also referred to as a healthcare administration, is the administration, management or oversight of healthcare systems, public health systems, hospitals and medical facilities, he added. Dr. Rohan cleared the doubts about the eligibility for the course saying any candidate who has completed bachelor's level programme is eligible for this course. In his session he emphasized about the opportunities after an healthcare management course as Health administrator, Assistant health manager/administrator, Clinical research manager, Social media directors, Nursing home administrators, Clinical manager, Health information managers. This position may concentrate on a specific area, such as:

Government relations, Finance, Human resources, Nursing administration, Medical staff relations, Patient care services

Vision: To develop the institute as a global brand, imparting quality education in the pharmacy field, thereby, creating competent and expert pharmacists ready to serve the healthcare industry and society.

Figure 1. A schematic diagram of the experimental setup. The subject is seated in a chair, viewing a video screen. The screen displays a target (a small circle) and a starting point (a larger circle). The subject's hand is positioned at the starting point. The distance between the starting point and the target is labeled as d . The subject is instructed to move their hand from the starting point to the target. The video screen is connected to a computer system that records the hand's position and movement time.

"Popular Destinations for Studying Abroad"

Date: 20/12/2022

Time: 02.00 pm to 03.00 pm

Venue: online mode

Resource persons:

1. Dilpreet Kaur
2. Shilpa Sebastian

Objective of the Program: To provide inputs about different foreign countries and their processes for higher education.

Audience: Third year B. Pharm and Final year B. Pharm students (Total no: 202)

Keynotes by speaker:

The speaker has introduced about various countries providing world class education. Looking to the matter of courses available in regulation to academic structure of each country detail outline was given regarding degrees offered and associated career opportunities. The special emphasis was made in relation to the Bachelor of Pharmacy course and future perspectives in abroad.

Speakers have given brief idea about the destination matrix in different countries, admission procedures, duration of course and probable expenses to be incurred.

Vision: To develop the institute as a global brand, imparting quality education in the pharmacy field, thereby, creating competent and expert pharmacists ready to serve the healthcare industry and society.
