Value of Industry Has Tripled Since 2003

Pharma sector valuations peaked in February 2021 and have been down in recent months. Despite this value of the sector has gone up by \$300 billion since September 2020. This is due, in part, to high volume

Aggregate value of the global pharmaceutical industry 2003 to 2021 (\$trillions)

Firstly thanking you for the wonderful session which you gave us in last few days. Earlier I didn't know much more about LinkedIn and thought that it's all like rock science but your session made me feel familiar with it. The session made me feel that the world is full of opportunity the only thing is that we should be... See more

The Common Technical Document (CTD)

- The CTD is the common format for presentation of technical information of a Drug Product to the regulatory authorities according to agreed international standards.
- In July, 2003, the CTD became the **mandatory format** for new drug applications in the EU and Japan, and the strongly recommended format of choice for NDAs and ANDAs submitted to FDA, United States.
- The CTD format has now been adopted by most regulatory authorities worldwide.

CTD Triangle

The CTD triangle. The Common Technical Document is organized into three modules. Module 1 is region specific and modules 2, 3, & 4 are common to the submission for all regions.

ANDA Approval Procedure

Learn, Regulate, and Police Governing Approval of Generics Products in the United States

A generic drug is defined as a drug that is identical to the brand name drug in terms of active ingredient, dosage form, strength, route of administration, and other characteristics. The generic drug must be shown to be bioequivalent to the brand name drug.

Definition of Terms and Abbreviations

Procedure for Approval of a Generic Drug in the United States

The ANDA process involves several steps, including the submission of an ANDA, the review of the ANDA by the FDA, the issuance of a Complete Response Letter (CRL) if necessary, and the final approval of the ANDA.

CONFIDENCE BUILDING PROGRAMME REPORT (A. Y. 2018-19)

A confidence building workshop was organised on 1st November 2018 for both F. Y. and S. Y. Students. The workshop was conducted by Mr. And Mrs. Devdutt Gokhale of Gokhale's Advanced Training Institute, Jalgaon. The objective of the workshop was that as the students of junior college have to face many challenges when entering into a technical / professional institute. Adjusting to a new environment is not always easy. Every student has to face this change. In this case self confidence plays very important role. So the orientation workshop primarily focused on developing the communication and presentation abilities of an individual. These are the basic abilities required and are very important in developing self-confidence and make them ready to face new challenges. The workshop was conducted for 4 hrs using Power-point presentations and Activities & case studies. It included Effective study techniques, positive thinking, motivation, time management, Introduction to communication, factors, tools and barriers in effective communication, Presentation techniques, tips on body language and Activities.
