ACTION TAKEN REPORT (2021-22)

Sr. No	Stakeholder	Gap Identified	Action Taken
01	Student	Industrial visit	Industrial visits are arranged at BlueCross Laboratories Nashik, Vatsal Ayurved Nashik and Cata Pharma Nashik
02	Student	Use of ICT tools should be enhanced	Projectors functionalized in each classroom. Faculties are been asked to use Google classroom for circulation of notes and conduct tests if any)
03	Student	Inclusion of live examples	Faculties are being asked to give live examples related to topic.
04	Student and Alumni	Students need guidance for start-up of business	Expert sessions and panel discussions are called for the same.
05	Student and Alumni	Structured and organized procedures for the GPAT/NIPER or competitive exam	Alumni interactions are called on every time when they visit the college and additional guest lecturers are invited.
06	Employer and Teacher	Recent trends should be included in the curriculum	Certificate course on “Research Perspective in Pharmacy” introduced
07	Alumni	Placement activities to be speed up	Training and placement brochures prepared and circulated to industry persons and invited for placement.

ACTION TAKEN REPORT (2020-21)

Sr. No	Stakeholder	Gap Identified	Action Taken
01	Employer	Students lack of communication Skills	Certificate course is adopted to improve English language based skills.
02	Student	Soft skills development Programme and career guidance sessions to be conducted	Employability enhancement, Profile building, Interview etiquettes, higher education related expert sessions
03	Student	Placement activities to be speed up	Training and placement brochures prepared and circulated to industry persons and invited for placement.
04	Teachers and Employer	College activities are to be outreach	e- newsletter prepared and circulated among stakeholders and same to be continues in each trimester
05	Teacher and Alumni	Advanced laboratory instruments and equipment.	UV-Vis Spectrophotometer, Tablet Compression Machine, Brookfield viscometer, Rapid Mixer Granulator, Tray dryer purchased.

ACTION TAKEN REPORT (2019-20)

Sr. No	Stakeholder	Gap Identified	Action Taken
01	Students	Video demonstration may be helpful to understand topics after theory or practical hours	All faculties are asked to develop e-content for theory and practical and same to be uploaded on you tube.
02	Students and Teachers	Career development sessions	Expert sessions on resume writing, Interview preparations and effective use of LinkedIn were organized.
03	Teachers	Certificate course on GMP to be rescheduled.	GMP course (30 hrs) was conducted in Aug –Sept 2019.

ACTION TAKEN REPORT (2018-19)

Sr. No	Stakeholder	Gap Identified	Action Taken
01	Teacher	Industrial relevance should be enhanced.	Expert session by Dr. Burande (Director, IPER, Pune) on GMP and by Mr. Sanjay Chandratre (GSK Pharma Nashik) on Pharmaceutical Industry and Regulatory were conducted. Certificate course organized on the GMP.
02	Students	GPAT preparation sessions to be conducted	Dr. Nazma Inamdar invited for guest lecture on preparation and importance of GPAT
03	Students	Personality development session required	Two confidence building workshops were conducted.

ACTION TAKEN REPORT (2017-18)

Sr. No	Stakeholder	Gap Identified	Action Taken
01	Teacher	Need to increase no. of books according to PCI and DBATU Syllabus pattern	Procurement of books in library considering new PCI and DBATU Syllabus pattern
02	Student	Sports activity need to be conducted	University level sports activities were hosted in association with DBATU

Supporting documents Links pertaining to NIRF (along with link to the HEI's ranking in the NIRF portal). NAAC / ISO certificate / NBA certificate or quality certificate from any recognized state/national / international agencies for the assessment period.

Sr. No.	Quality Agency	Remark
1	NIRF	The HEI is not eligible for NIRF Ranking because the B. Pharmacy UG Program run by the institution does not satisfies requirements of (National Institutional Ranking Framework (NIRF). Methodology for Ranking of Academic Institutions in India, point no 2. Eligibility for Common and Discipline Specific Rankings sub point no. viii) Rankings will be considered only for those institutions that have graduated at least three batches of students in some programs. If no program run by the institution satisfies this requirement, the concerned institution will not be able to register for ranking.
2	NAAC	The HEI is presently applied for NAAC and in process of same.
3	ISO	The HEI has not applied for the ISO certification
4	NBA	HEI has just become eligible for the NAAC application process however the B. Pharm program is now no longer under AICTE therefore we have preferred to go for NAAC accreditation.
Other Quality Initiative include		
1	AISHE Certificates	
2	GREEN energy & environmental audit certificate	
3	Certificate Rain Water Harvesting	
4	Certificate for Waste Management & Environment Improvement	
5	Academic audit by affiliating University: https://pharmacy.kkwagh.edu.in/academics/academic_audit_report

INDIA RANKINGS 2017

NATIONAL INSTITUTIONAL RANKING FRAMEWORK

Methodology for Ranking of Academic Institutions in India

Ministry of Human Resource Development

1. Salient Features

- 1.1 Methodology is based on developing a set of metrics for ranking of academic institutions, based on the parameters agreed upon by the core committee.
- 1.2 These parameters are organized into five broad heads, and have been further elaborated into suitable sub-heads. Each broad head has an overall weight assigned to it. Within each head, the various sub-heads also have an appropriate weight distribution.
- 1.3 An attempt is also made to identify the relevant data needed to suitably measure the performance score under each sub-head. Emphasis here is on identifying data that the institution can easily provide or is easy to obtain from third party sources and easily verifiable, where verification is needed. This is important in the interest of transparency.
- 1.4 A suitable metric is then proposed based on this data, which computes a score under each sub-head. The sub-head scores are then added to obtain scores for each individual head. The overall score is computed based on the weights allotted to each head. The overall score can take a maximum value of 100.
- 1.5 The institutions can then be rank-ordered based on their scores.

2. Eligibility for Common and Discipline Specific Rankings

- 2.1 Learning from our experience in the 2016 Rankings, it is proposed to have the following different ways of Ranking.
 - (i) This year, all candidate institutions, ***independent of their discipline*** or nature (comprehensive or otherwise) will be given a ***common overall rank¹***, if they satisfy one of the following criteria

¹ The parameters have been chosen in such a manner that these are equally relevant for various kinds of educational institutions. Data format is designed to ensure that the diversity of disciplines and their separate character are accounted for.

- (a) They have a total of at least 1000 enrolled students (calculated on the basis of approved intake), OR
- (b) The institution is a centrally funded institution/university of the Government of India.

(ii) Institutions will also be given a discipline specific rank as relevant.

(iii) Highly focussed institutions with a single main discipline (Engineering, Medical, Law, Management, Pharmacy or UG degree colleges in Arts, Science and Commerce, etc.) with less than 1000 enrolled students (as calculated on the basis of approved intake) will be given only a discipline specific rank.

*(iv) Schools or Departments of Universities or Institutions (such as Arts, Architecture, Engineering, Health and Life Sciences, Humanities and Social Sciences, Law Faculty, Medical School, Management Departments, Pharmacy etc.) will have to register separately and provide additional data (in the same common format) pertaining to the respective School or Department, if they desire to be included in the discipline specific ranking list. All institutions should seriously consider this option, if they wish to position their important Faculties/Schools at the national level. **Only options available on the registration portal will be considered for discipline specific rankings².***

(v) Undergraduate Teaching institutions (including degree colleges affiliated to a university) are also invited to participate. (Some of them may have a valid apprehension that they may not score well in research-related parameters on

² If an engineering school of a University consists of a single engineering discipline with very few students, they would not be eligible for ranking even under the discipline specific category. Thus, if the engineering faculty of a University has only the Department of Electronics Engineering as its Engineering School, it need not apply for a separate discipline specific ranking under the engineering category.

a common ranking list, but they can still score high on many other parameters like Graduation Outcomes and Perception. In any case, they would receive a fair comparison in the separate rankings for colleges that will also be published this time, and in which the parameter weightages will be suitably modified.

(vi) Discipline specific ranks will be announced only in those disciplines where a significant number of institutions offer themselves for ranking, and the List includes some of the prominent institutions in that discipline, with an acceptable ranking score. The final decision on ranking of a discipline will therefore be decided by NIRF after analysing the data.

(vii) Open Universities and Affiliating Universities (whether State or Centre approved/funded) will not normally be registered for ranking. However, if these universities have a teaching or research campus of their own, they are welcome to participate with data pertaining only to their physical campuses. Data pertaining to their function as open or affiliating universities cannot be included in the submitted data.

(viii) Rankings will be considered only for those institutions that have graduated at least three batches of students in some programs. If no program run by the institution satisfies this requirement, the concerned institution will not be able to register for ranking.

2.2 While score computations for the parameters are similar for both kinds of rankings (i.e., common or discipline specific) on most counts, the weights are somewhat different on a few parameters, to take into account discipline specific issues.
