Report On Tree Plantation Program

“SAVE PLANT, SAVING PLANET”

Trees represents life, growth, peace and nature. They produce oxygen, clean soil, prevent drought, control flood related disasters, prevent soil erosion, improve physiological, mental and spiritual health, and also reduce carbon footprints. Trees plays significant role in ecological balance and equilibrium and by protecting trees and growing more trees, we can ensure the health of ecosystems.

On the occasion of World Environment Day Tree plantation Drive was conducted by faculty members of K.K.Wagh College of Pharmacy, Nashik. Tree plantation programme was held on 5th June 2022 at 1 PM in our college campus. Tree plantation was done by-

- Principal Dr.R.D.Amrutkar
- Prof. S.D.Dawange
- Prof.S.D.Malode
- Prof.K.Kute
- And group of 11 students.

In this plantation drive, all faculty members and group of 11 students of K.K.Wagh College of Pharmacy, Nashik were actively participated. We had planted various types of plant some of them Ashwagandha (*Withaniasomnifera*), Neem (*AzadirachtaIndica*), Rose (*Rosa*), Tamhan (*LagerstrioemiaSpeciosa*), Cadamb (*NeolamarckiaCadamba*), etc. In different locations of campus. Our faculty members had also explained about the trees and the importance of tree plantation. Even our help staff also taught us how to plant them and then they watered the plants, their uses etc.

After planting the saplings all students, teachers, staff took the oath: “I will plant a tree sapling and take care of the sapling such that it grows into a mature tree”.

Also a group of students planned a small activity related to the theme of “One Student-One Tree Campaign” for students of Third year B. Pharmacy in the month of July. We hope that such activities shall sensitize and encourage the other students to “Love the trees untill their leaves fall of, then encourage them to try again next year”.

At the end of the programme, students took photos and selfies with planted saplings and posted them on various social media platforms.
