

Voting Public Awareness Report

Date: November 11th, 2024

Time: Time 12:00 noon to 1:00 pm

Objective of the Event:

The Voter Awareness is designed to inform students about the following topics: the significance of their involvement in the electoral process, whether as voters or candidates; the methods of participation; the steps involved in becoming eligible to vote and actually casting a ballot; and the methods for determining a candidate's poll-worthiness.

Outcome of the Program:

Students understood the importance of participating in the electoral process as a way to ensure a responsive, accountable and democratically elected government. In a democracy, a free and fair vote is the fundamental tool through which citizens can express their political preferences and developmental wishes.

No. of Students Benefited: 40

Outline of the Program:

Under National Service Scheme "Voting Public Awareness Campaign" is organized on 11th November 2024. Dr. P. R. Shirode guided to students regarding voting awareness. Board-displayed images related to voting awareness.
