(Affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere, MSBTE, Mumbai & Approved by PCI)

Best Practices

	Best Practice 1	Best Practice 2
Title	To provide services towards better health	Motivation of students for participation in co-curricular activities and competitive examinations.
Objective	To cultivate an attitude of responsibility and accountability towards the society. It can help impart skills like leadership and ownership. This gives students an opportunity to transform themselves, their families, and their communities for the better. They will be better equipped to respond to societal needs and promote integral human development as a result.	To support learning by encouraging original ideas, enhancing interpersonal and organizational abilities, fostering the growth interests and talents of students. To boost spirits to move responsibly towards a better future. To provide financial assistance and motivation in form of fee reimbursement.
Practice	The College through its student's council promotes social awareness. Students along with teachers plan and execute different activities like blood donation camps, health checkup camps, ladies camp and awareness for quitting tobacco. College has 24/7 in house ambulance service, in house clinic with well qualified registered medicinal practitioner, well maintained sick room and first aid boxes. During COVID pandemic situation, vaccination camps were organized. Awareness videos for COVID-19 were created. Food distribution activities were carried out.	Students are encouraged to apply for competitive examinations. GPAT guidance sessions are taken by teaching faculty to help student to thrive through this national level examination, which is important from higher education point of view. Our endeavor is to have more than 50% of students to qualify the exam. Apart from this, teaching staff regularly provides notes and other study material to the students and same are uploaded on college website as well. College also has a policy to appreciate the academic toppers for each class and GPAT exam toppers. Besides these there is a policy for reimbursement of registration fees of GPAT qualified students and qualifiers of MOOC courses conducted through platforms like swayam NPTEL.
