**Late Padmashree
Karmaveer Kakasaheb
Wagh**

Late Shri. Kakuseth Udeshi

Our Inspiration

**Hon. Shri. Balasaheb D. Wagh
President,
K.K Wagh Education Society, Nashik**

K.K.Wagh Education Society

K.K. Wagh Education Society is a leading name in the field of education in and around Nashik district and the state of Maharashtra. It was established in the year 1970 by **Late Padmashree Karmaveer Kakasaheb Wagh**, with the vision "**Empowerment of youth through quality education**". This was ably supported to realization by the generosity of **Late Shri. Kakuseth Udeshi** who gifted 23 acres of the land as a philanthropic gesture for the noble cause.

This Pioneer Society is spread in and around Nashik in nine beautiful campuses composing of 36 educational institutes with over 21,000 students studying from K.G. to Ph.D. in various fields and over 1900 motivated & qualified faculty engaged in teaching, research, consultancy, training, testing & designing. The Society is moving on the path carved by Karmaveer Kakasaheb Wagh following the Indian ethic and, is striving hard in the pursuit of academics to realization by excellence.

The Society has very impressive board of directors as well as advisory committee with many eminent and experienced persons on board.

K.K.Wagh College of Pharmacy

The K.K.Wagh College of pharmacy has started B.Pharm course with 100 intake in A.Y.2017-18 and is approved by all regulatory authorities PCI, AICTE,

DTE and State Government and is affiliated to the Dr Babasaheb Ambedkar Technological University (BATU). Since then, the college has continuously developed its facilities, infrastructure, and amenities and excelled in academics as well as co-curricular activities. The college successfully had 100% admission for first year and direct second year. The college also conducted welcome and oath ceremonies during the induction program for newly admitted students.

College Committees

The college has established various committee to address related issues as per norms.

- GC
- LMC
- Anti-ragging committees
- NBA Committee
- Admissions committee
- Academic committee
- Exam committee
- Cultural Committee
- Co-curricular committee
- Extracurricular committee

The meetings are regularly conducted. The college states, already preparing for NBA and has established industry academic interaction committee in which there are members from industries and parents.

The Faculty

The Faculty is well qualified, experienced, research oriented and highly conversant with applications of ICT tools. They are interactive and student friendly. The faculty has worked diligently since March 2020 (COVID- Lockdown) and has been involved in e-lectures, e-assessments since then. They have proactively set the tone of the curricular as well as co-curricular activities of the college in the right direction.

The teaching learning process is given utmost emphasis by the faculty and is coupled with regular counseling sessions for the students by the guardian teachers. The weekly counseling sessions by a psychologist are also arranged, class-wise.

Our college is the only college amongst all 121+ BATU affiliated pharmacy colleges to prepare the entire theory (around 550 videos) and practical e-content around 350 videos) of all 4 years syllabus and to upload the same on YouTube. Some of the videos are also being uploaded on Udemy.

E-Content

| Class | Theory Subjects Status | Practical Subjects Status |
|------------------|------------------------|---------------------------|
| F.Y.B.Pharm. | ✓ | ✓ |
| S.Y.B.Pharm. | ✓ | ✓ |
| T.Y.B.Pharm. | ✓ | ✓ |
| Final.Y.B.Pharm. | ✓ | ✓ |

Along with this our creative faculty has been prepared COVID related videos like immunity boosting, corona vaccines, SOP's for post COVID reopening etc. and won admiration and appreciation by one and all.

The faculty is led by Prof. Dr. Kishor S. Jain, the Principal of the college who holds rich academic and industrial research experience of 36 years in areas of organic synthesis, green chemistry, API process development, new drug discovery research, as well as, analytical and bioanalytical method developments. He was former Dean Pharmacy Faculty, Member of Executive & Academic Councils, Faculty, BOS, BCUD & Academic Subcommittees, He has Over 100 research publications and quality reviews in reputed international journals, 17 Books, 02 Patents, and a very high citation index to his credit as well as good research funding. He is on the editorial board of several national and international journals.

Infrastructure

Laboratories

Well-furnished spacious and well ventilated laboratories with modern equipment and facilities, including computer and language laboratories,

machine room, sophisticated instrument laboratory etc, impart the state of the art look to the college. The laboratories have all safety as well as first aid facilities.

Classrooms & Seminar hall

The college has spacious, well ventilated and furnished classrooms equipped with multimedia facility along with a seminar hall with 250 seats capacity.

Sessions by Dr. Shahbadkar, TPO-KKWIIEER

On 24th March 2021, we arranged a orientation session by Dr. Shahbadkar, who guided our Training and Placement Cell members regarding the working of T&P cell, training and placement activities for students, TPO brochure, Industry – Institute Interaction & Entrepreneurship development Cell. Again on 29th April 2021, he had another session for the students of T.Y. & Final year on the topic- How to Successfully crack Interviews.

Session by Dr. Pramod Shahbadkar – TPO KKWIIEER

Pharma-News ...

The e-Newsletter by K.K. Wagh College of Pharmacy

Vol-I, Issue-1,

1st April 2021

Vision

To develop the institute as a global brand, imparting quality education in the pharmacy field, thereby, creating competent and expert pharmacists ready to serve the healthcare industry and society.

Mission

- **To impart quality technical education to students to make them competent and expert pharmacists.**
- **To inculcate and imbibe in students moral and ethical values as well as lifelong learning skills.**
- **To provide state of the art infrastructure and right conditions and conducive atmosphere to learning, research and innovation.**
- **To collaborate with industries to meet global health challenges.**
- **To make students aware regarding their responsibilities and duties towards the community, society and humanity.**
