## ▲ Celebration of National Unity Day

K K Wagh College of Pharmacy, Nashik, proudly celebrated the birth anniversary of the Iron Man of India, Sardar Vallabhbhai Patel, on Monday, 28th October 2024. The event was organized to mark National Unity Day (Rashtriya Ekta Diwas), a day dedicated to honoring the legacy and immense contribution of Sardar Patel in uniting the nation. The celebration began with a tribute to Sardar Patel's Pratima, where several faculty members participated in a ceremonial worship. On this solemn occasion, Dr. P.R. Shirole addressed the gathering, highlighting the pivotal role Sardar Vallabhbhai Patel played in the political integration of more than 560 princely states into a unified India. He emphasized the significance of National Unity Day in acknowledging Patel's visionary leadership and tireless efforts in shaping modern India — truly representing the spirit of 'Ek Bharat'.

## ▲ Expert Session

An expert Session on “Smart Learning Solutions: AI, H5P Video, and LMS Strategies in Education” on 28/10/2024 at IQAC Hall, K K Wagh College of Pharmacy, Nashik. The resource persons for the session were Dr. Bhamre Preeti D., Head, Department of Information Technology, K K Wagh Institute of Engineering Education & Research and Dr. Murugkar Milind, Head, T & L Center/ Education Transformation center, K K Wagh Institute of Engineering Education & Research.

## ▲ National Education Day (November 11, 2024)

In India commemorates Maulana Abul Kalam Azad's birth anniversary and emphasizes education's role in national development. 61 students from B. Pharmacy and D. Pharmacy explored quality education and innovative teaching methods, enhancing understanding of education's role in nation-building and fostering a lifelong learning culture.

## ▲ Voting awareness session (November 11, 2024)

The "Voter Awareness" event was conducted in the institute to educate students on the importance of voting and the steps to become eligible. The event, organized under the National Service Scheme, aimed to ensure a democratically elected government and a free and fair vote.

## ▲ Vigilance awareness session (November 11, 2024)

As part of the nationwide observance of Vigilance Awareness Week, an enlightening event was organized to promote awareness about corruption and its far-reaching impact on social justice, economic growth, and national security. The session highlighted the importance of individual responsibility in fostering a transparent and accountable society. Dr. P. R. Shirole led the integrity pledge, motivating students to uphold values such as honesty, adherence to the rule of law, rejection of bribery, and dedication to acting in the public interest. The event served as a powerful reminder of the role each citizen plays in combating corruption and strengthening the nation's ethical foundation

## ▲ National Pharmacy Week

KKWCOP marked National Pharmacy Week from November 18 to 23, 2024, with a series of engaging events aimed at enriching student knowledge and skills. As part of the celebration, a Debate Competition was held on November 19, 2024, encouraging D. Pharmacy and First Year B. Pharmacy students to develop critical thinking, analytical reasoning, effective communication, and public speaking abilities. The event also fostered teamwork, civic awareness, and global perspectives. On November 21, 2024, a Quiz Competition was conducted to enhance awareness about the pharmacy profession and promote academic enthusiasm among students. Both events not only recognized student excellence but also contributed to their overall intellectual and personal growth

## ▲ The Constitution Day of India (November, 26)

KKWCOP held Constitution Day to honor the adoption of the Indian Constitution in 1949 and to educate students about its core values of justice, liberty, equality, and fraternity. Staff and students from both B. Pharmacy and D. Pharmacy programs came together to read the Preamble Pledge, reaffirming their commitment to uphold the guiding principles of the Constitution. The event served as a reminder of the responsibilities of every citizen in preserving the democratic fabric of the nation.

## ▲ Industry-Academia Interaction

On Monday, November 18, 2024, Dr. Yogeshwar Bachhav, Director at AiCuris Anti-infective Cures AG, Germany, engaged in a meaningful faculty interaction at KKWCOP. The session served as a valuable platform to strengthen ties between academia and industry, offering insights into cutting-edge research, access to real-world data, and enhancing the practical relevance of academic studies. It also contributed to enriching teaching methodologies and faculty development, fostering a more dynamic and informed learning environment.

## ▲ Vachan Prerna Din

Vachan Prerna Din was celebrated on the birth anniversary of 11th President of India, Bharat Ratna Dr. A. P. J. Abdul Kalam. The event includes a worship program where faculty and students shared insights on his remarkable life and contribution in nation building. Dr. Kalam believed in 'Books as Companions and the enrichment of life through books'. Dr. Kalam has authored various books on science and technology, inspiration and self improvement, vision and development, spirituality and philosophy. These books have enlightened the lives of generations. The group reading and book review program was organized to honor the legacy of Dr. Kalam and to foster the culture of learning through reading.

## ▲ Sports

K K Wagh College of Pharmacy, Nashik, emerged victorious in the intercollegiate sports tournament held at S.S.B.T. College, Bhambhori, Jalgaon. The college's volleyball team clinched the top spot, while the table tennis team secured second place. This dual achievement has sparked excitement among the college's athletes. Outshining teams from various colleges, K K Wagh College's exceptional performance earned recognition. Three standout volleyball players - Ritesh Tele, Humayu Chauhan, and Aniket Gaikwad - have been selected for the zonal-level competition. Similarly, Abhishek Wagh and Avishkar Jadhav will represent the college in the zonal-level table tennis competition.

Celebrated **Institution's Innovation Day (Dr. APJ Abdul Kalam's Birth Anniversary- Oct. 15, 2024)** by paying tribute to Dr. APJ Abdul Kalam's legacy by screening documentaries, films, or interviews highlighting his life, achievements, and contributions to science, education, and national development. Students got inspired after watching the documentary and interviews of Dr. APJ Abdul Kalam.
