President's Message

K. K. Wagh Education Society (KKWES), established in the year 1970, a small sapling planted with only one institute, has now spread its wings with 36 different institutes in 9 campuses in and around Nashik, having over 2000 staff and 25000 students. The credit goes to all students, stakeholders, staff and my colleagues in the Board of Directors. I am proud to say that K. K. Wagh has become the brand name in the field of education.

The colleges like Engineering, Polytechnic, Pharmacy, Agricultural Studies, traditional branches like Arts, Science and Commerce, Education, Nursing, Performing Arts, Fine Arts and many Schools and Jr. Colleges of KKWES are being regularly chosen by high ranking students.

Our Engineering & Polytechnic Colleges have carved their niche in the state, country and even abroad with over 50000+ alumni network spread across the globe at various key positions.

Many of our students regularly get admitted for higher studies in premier institutes and universities worldwide. While, the Engineering and Polytechnic Colleges have successfully acquired national rankings and accreditations year after year, the Agricultural Colleges in six different disciplines are unique and are very much in demand by the students.

K. K. Wagh College of Pharmacy, started in 2017-18 offering the 4 years fulltime Bachelor in Pharmacy (B. Pharm.) program has already stood out in the region due to its quality education, faculty and facilities, having consistently good academic results and high admission cut-offs.

Besides rich state of the art infrastructure, qualified and experienced staff, best teaching-learning atmosphere in its colleges; K. K. Wagh is known for the moral values, ethics and contribution to social out-reach. I, being the President welcome you to be a member of K.K. Wagh family. Best of luck for all your future endeavors.

Balasaheb D. Wagh

President,
K.K. Wagh Education Society, Nashik

From The Desk of Principal

Dear Students, Parents and our Industry friends,

I feel proud and privileged to announce the successful preparation of “UDAAN-The Students Placement Profile- 2020-21”. The name as suggests our first batch students are preparing for the successful flight – UDAAN- into the Professional World.

Pharmacy is a career with a plethora of opportunities. India is considered the global pharma-superpower of future. The pharma sector is one of the top 5 most valuable sectors of our country with significant contribution and growth rate to the national economy.

The pharmacy profession comprising the industrial and practice sectors is undergoing a rapid change. Indian Pharma industry which has registered a spectacular progress since independence.

K. K. Wagh College of Pharmacy, Nashik (Maharashtra), offers Bachelor of Pharmacy (B. Pharm.) degree course of four years and has been started with a vision to create a Center of Excellence in Pharmacy Education. Our institute, has state of the art laboratories, qualified and experienced faculty and good infrastructure backed by a sound and competent management.

The institute is committed to creating competent pharmacy professionals to cater to the needs of healthcare industry and the society and creating responsible and caring citizens of the country, who shall be always compassionate to the needs of the society. This is being done through structured teaching learning process and inculcating human values in the students. We foster sharpening of skills and enhancement of knowledge base in our students through various extra-curricular, co-curricular and curricular activities through our faculty. who not only keep themselves at par with the current developments but also contribute to the expansion of knowledge in the field of expertise. We emphasize on regular counseling & feedback of students so that teachers can evaluate their progress and guide them accordingly in their journey to success.

Amenities provided by the institute include, hostel facility, transport facility, canteen, medical facility, ambulance, sports facility, Wi-Fi facility, bank, reprographic facilities, and a green campus with adequate outdoor and indoor sports facilities and gymnasium etc. On behalf of the faculty, students, administration and staff, I welcome you to our institution and hope that you get optimum use of the excellent educational opportunities offered by us.

Dr. K. S. Jain

M. Pharm., Ph.D., F.I.C

About K. K. Wagh Education Society

K. K. Wagh Education Society is a leading educational trust in Nashik District. It was established in 1970 by the visionary leader Late Padmashree Karmaveer Kakasaheb Wagh. He realized the importance of education for upliftment of rural masses and started with a school in Niphad Taluka. The education society later on received a land of 23 acres from the well-known Philanthropist Late Kakuseth Udesi who was Director of Hansaraj Surji Charitable Trust, Nashik. It was utilized by K. K. Wagh Education Society to establish an ideal Technical Campus known as 'Hirabai Haridas Vidyanagari'. This picturesque Campus houses the Engineering College, Polytechnics and Pharmacy College. later on

The other educational institutes in the field of Agriculture, Agricultural Engineering, Education, Nursing, Fine Arts, and Performing Arts were started in the campus Saraswatinagar, Nashik. English Medium Schools, Junior Colleges and CBSE Schools are also run by the trust in Nashik City and Niphad Taluka.

With the vision of empowering the youth through quality education, K.K. Wagh Education Society started colleges with faculties like Arts, Science, Commerce, Computer Science etc. at Nashik, Pimplas (Ramache), Kakasaheb Nagar and Chandori. These colleges are useful for the children of farmers who were deprived of higher education due to non-availability of colleges in the native place. A Pharmacy Institute was established in Chandori village to provide professional education for rural students.

The objective of K. K. Wagh Education Society is to provide quality education at affordable cost. The quality culture has been developed in all the institutes. All institutes have State-of-the-Art laboratories with latest equipment, computers & internet connectivity. Other facilities provided to the students include gymnasium and sport facilities, hostels for boys and girls, mess and canteen, transportation facility etc. Highly motivated and qualified faculty engaged in teaching, research, consultancy, and training, testing and designing is a major strength of all the institutes.

A small sapling planted by Karmaveer Kakasaheb Wagh has grown into a big tree with 36 branches with over 21000 students engaged in studies from K.G. to Ph.D. in the various fields. There are over 1900 dedicated employees following the Indian ethics and striving hard towards developing the World Class institutes. Over 50000 alumni members spread across the Globe are the brand ambassador for the Society.

About the Institute

K. K. Wagh College of Pharmacy which has been started from the A.Y. 2017-18, is approved by All India Council of Technical Education (AICTE), New Delhi, Pharmacy Council of India, New Delhi and Government of Maharashtra, and affiliated to Dr Babasaheb Ambedkar Technical University, Lonere, Maharashtra. The institute provides four-year's course of Bachelor's Degree of Pharmacy. The Teaching and Non-Teaching Staff of the institute is a blend of senior experienced and young dynamic faculty members devoted to the noble cause of education. In addition to the academics, the students are engaged in sports and cultural activities to provide a healthy relief from rigorous routine. The institute is having spacious ground and the modern facilities for both indoor and outdoor games and ultra-modern Gymnasium for body building and fitness. As on date it is fully developed and provides accommodation for College building, office, classrooms, Seminar hall, equipped laboratories etc. All laboratories, classrooms etc. are designed as per the Norms of council bodies.

K.K. Wagh college of Pharmacy does not only look after the academic growth of the students but also takes ascetic efforts to nourish the students on practical grounds. Thus, multiple co-curricular and extra-curricular activities are conducted by the college. Various experts from the respective field, which have been associated with the institute, guide and monitor these activities to make them more fruitful for the students. The college conducts regular counseling sessions for the students. The faculty of the institute continuously works on the feedback given by the students to evaluate the progress and to make the necessary changes in the in teaching style.

K. K. Wagh College of Pharmacy believes in attaining multi-dimensional growth of students through strategic planning, care and attention to make students more capable and confident to face the challenges presented by the competitive world and to grab the opportunities for their successful careers.

TPO MESSAGE

The Training and Placement Cell is one of the integral parts of our college. Training & Placement activities are organized throughout the year with a view to prepare the students to appear the campus recruitment process with confidence. The first year pharmacy students are encouraged to participate in various competitions such as debate, group discussion, power point presentation, essay writing, etc. in order to enhance their confidence, reading, writing and communication skills. Students of second year pharmacy are trained on basic language skills in the well-developed Language laboratories of the institute. To prepare and train aspiring learners to face campus recruitment, the third year students are provided with exhaustive training with relevance to communication skills, aptitude test and overall development for personal & professional grooming. These training programs give the students tips on how to crack aptitude, group discussion, interview skills and resume preparation.

The cell also educates the students with various carrier opportunities in different areas such as Public Sector, Armed forces and Government Sector services by conducting guest lecture regularly. It is observed that most of the reputed companies allow students with 60 % aggregate to appear for the Campus Recruitment Process.

In order to give equal opportunity to all the students of our institute, we follow the policy of "ONESTUDENT ONE OFFER" i.e. once a student is placed in a company, he / she is not permitted to appear for the successive recruitment process of other companies.

Training and Placement Section

Placement Cell interacts with the reputed organizations all over the country for arranging campus interviews for the final year students. We make efforts to organize technical seminars, workshops and corporate expectation sessions. Industry personnel are invited periodically to enrich the knowledge of our student community with the latest technological innovations and industry practices. We produce graduates who are well equipped to handle the working norms of the industry and commerce in the public and private sectors

and helping every student to define his/her career interest through individual counseling through experts.

❖ Vision:

Equipping the students with relevant and conceptualized professional skills and guiding them towards a bright future and career all around the world with the values of–Sincerity, Hard Work and Justice.

❖ Mission:

To achieve 100% placement for students through dedication, attitude and complete involvement is our mission.

Training and Placement Cell arranges and coordinates various programs that aim at molding the students so as to meet the industry expectations in career building and in turn bring laurels to the parent institution. The Training and Placement Cell, guided by a set of rules and principles, strives to maintain good relationship with industries. Preparing the recruitment schedule for the year, inviting corporations for pre-placement talks on the campus followed by final placements, and overseeing the process to it send, is the responsibility of the Training and Placement Cell. The Cell endeavors to carry out successfully all the processes methodically throughout the year.

❖ Goals:

- i. To enhance the employ ability skills among the students to meet out the corporate expectations.
- ii. To improve the industry– institute relationships
- iii. To enhance the student’s interest towards the entrepreneurship and business strategies.

❖ Objectives:

- i. To provide class training for the students through continuous training module
- ii. Students are advised to read the announcements made through notices put up on Notice boards, What's-App Groups, College Website, go through the company website & Job Profile etc.
- iii. Students must inform T&P Department if not interested to appear for the Campus Drive.
- iv. Students shall prepare their Resume under the supervision of the T&P Department & Trainer retained by the Institute, highlighting their achievements, summer projects and anything beyond the curriculum which enhances the employability of the students.
- v. Students need to submit passport size photographs along with the form. The photo should be in college uniform.
- vi. Students having backlogs are advised not to register for placement. Such students are advised to improve and register after clearing the backlogs.
- vii. Students must bring their identity cards with them whenever they go through a placement process in campus or off campus.

❖ Grounds on which STUDENT/ Should be DEBARRED from Placement:

- i. Student may be debarred from the placement if he / she are found involved in any In-disciplinary activity or engaged in fraudulent practices.
- ii. Any eligible student consecutively not participating in 2 recruitment drives without prior information to T&P.
- iii. The details of the resume have to be genuine & true and any student found violating this rule will be debarred from the placements for the rest of the academic year.
- iv. Student cannot drop out from selection process once he/she has been shortlisted.

The objectives of the course should be achieved by acquiring an in-depth knowledge & thorough understanding, necessary skills and developing the right attitude.

Objectives

The following is the course structure of First Year, Second Year, Third Year and Final Year B. Pharm.

F. Y. B. Pharm Syllabus – Semester I			
Course Code	Name of the course (Theory)	Course Code	Name of the course (Practical)
BP101T	Human Anatomy and Physiology I	BP107P	Human Anatomy and Physiology
BP102T	Pharmaceutical Analysis I	BP108P	Pharmaceutical Analysis I
BP103T	Pharmaceutics	BP109P	Pharmaceutics I
BP104T	Pharmaceutical Inorganic Chemistry	BP110P	Pharmaceutical Inorganic Chemistry
BP105T	Communication skills	BP111P	Communication skills
BP106RBT BP106RMT	Remedial Biology / Remedial Mathematics	BP112R	Remedial Biology

F. Y. B. Pharm Syllabus – Semester II			
Course Code	Name of the course (Theory)	Course Code	Name of the course (Practical)
BP201T	Human Anatomy and Physiology II	BP207P	Human Anatomy and Physiology II
BP202T	Pharmaceutical Organic Chemistry I	BP208P	Pharmaceutical Organic Chemistry I
BP203T	Biochemistry	BP209P	Biochemistry
BP204T	Pathophysiology	BP210P	Computer Applications in Pharmacy
BP205T	Computer Applications in Pharmacy		
BP206T	Environmental sciences		

S. Y. B. Pharm Syllabus– Semester III			
Course Code	Name of the course (Theory)	Course Code	Name of the course (Practical)
BP301T	Pharmaceutical Organic Chemistry II	BP305P	Pharmaceutical Organic Chemistry II
BP302T	Physical Pharmaceutics I	BP306P	Physical Pharmaceutics I
BP303T	Pharmaceutical Microbiology	BP307P	Pharmaceutical Microbiology
BP304T	Pharmaceutical Engineering	BP 308	Pharmaceutical Engineering

S. Y. B. Pharm Syllabus– Semester IV			
Course Code	Name of the course (Theory)	Course Code	Name of the course (Practical)
BP401T	Pharmaceutical Organic Chemistry III	BP406P	Medicinal Chemistry I
BP402T	Medicinal Chemistry I	BP407P	Physical Pharmaceutics II
BP403T	Physical Pharmaceutics II	BP408P	Pharmacology I
BP404T	Pharmacology I	BP409P	Pharmacognosy and Phytochemistry I
BP405T	Pharmacognosy and Phytochemistry I		

T. Y. B. Pharm Syllabus– Semester V			
Course Code	Name of the course (Theory)	Course Code	Name of the course (Practical)
BP501T	Medicinal Chemistry II	BP506P	Industrial Pharmacy I
BP502T	Industrial Pharmacy I	BP507P	Pharmacology II
BP502T	Pharmacology II	BP508P	Pharmacognosy and Phytochemistry II
BP504T	Pharmacognosy and Phytochemistry II		
BP505T	Pharmaceutical Jurisprudence		

T. Y. B. Pharm Syllabus– Semester VI			
Course Code	Name of the course (Theory)	Course Code	Name of the course (Practical)
BP601T	Medicinal Chemistry III	BP607P	Medicinal chemistry III
BP602T	Pharmacology III	BP608P	Pharmacology III
BP603T	Herbal Drug Technology	BP609P	Herbal Drug Technology
BP604T	Biopharmaceutics and Pharmacokinetics		
BP605T	Pharmaceutical Biotechnology		
BP606T	Quality Assurance		

Final. Y. B. Pharm Syllabus– Semester VII			
Course Code	Name of the course (Theory)	Course Code	Name of the course (Practical)
BP701T	Instrumental Methods of Analysis	BP705P	Instrumental Methods of Analysis
BP702T	Industrial Pharmacy II	BP706PS	Practice School*
BP703T	Pharmacy Practice		
BP704T	Novel Drug Delivery System		

Final. Y. B. Pharm Syllabus– Semester VIII			
Course Code	Name of the course (Theory)	Course Code	Name of the course (Practical)
BP801T	Biostatistics and Research Methodology	BP808ET	Cell and Molecular Biology
BP802T	Social and Preventive Pharmacy	BP809ET	Cosmetic Science
BP803ET	Pharma Marketing Management	BP810ET	Experimental Pharmacology
BP804ET	Pharmaceutical Regulatory	BP811ET	Advanced Instrumentation Techniques
BP805ET	Pharmacovigilance	BP812ET	Dietary Supplements and Nutraceuticals
BP806ET	Quality Control and Standardization of Herbals	BP813PW	Project Work
BP807ET	Computer Aided Drug Design		

Infrastructure

Departments

The College is fully equipped with modern infrastructure facilities such as spacious classrooms with modern audio visual equipment. The college has well ventilated and illuminated laboratories with adequate space and equipment as per AICTE, PCI and DBATU. There are overall twelve laboratories, each catering to the respective subject. There is a central store, common for all laboratories. Respective departmental stores are within the laboratories. The stores keep adequate stock of glassware, reagents, solvents, specimens etc. required for daily practical experiments. The laboratories are managed by trained laboratory assistants. The safety aspect is given prime importance in the planning and functioning of these laboratories. The college also has a separate well-furnished computer room with internet facility.

❖ Library:

The college has a well-organized and furnished library with adequate space which offers conducive atmosphere to the students for their studies and reference work. It also subscribes regularly to journals and periodicals related to the field of Pharmacy and allied health sciences.

❖ Other Amenities:

They include medical facility within the campus, bank, individual hostels for girls and boys, mess, spacious playground, gym and parking facility.
