Our meritorious Students

Our two students, Rupesh Jadhav and Deepali Gaidhani has got opportunity for higher studies in Queen's university Belfast. UK.

Campus Placements and Internship

The college's training and placement cell is working hard. TATA Consultancy Services, RAPTIM Research Ltd, and Advant-Med have all hired 14 of our students through campus recruitment. Attempts are being made to place the remaining students. Five campus drives have been completed, with four more scheduled. We have also begun the process of registering alumni. Our 9 students are doing internship renowned companies like Glenmark Pharma Pvt Ltd, Megafine, Vital Healthcare Pvt. Ltd, and Shreya Labs.

Our principal Our CEO, Dr. K. S. Jain, had a research paper titled "Use of Green Chemical Techniques for High Throughput-Generation of NCE Libraries" published in the international journal EC Pharmacology and Toxicology. Sir's publication in the journal Green and Sustainable Chemistry, with an impact factor of 3.3, titled "an efficient and quick synthesis of 2-amino 4-arylthiazoles employing microwave irradiation in water," has received a record number of views. Two books on pharmaceutical analysis have been published by Dr. K. S. Jain, Prof. D. K. Kdam, and Prof. K. P. Baviskar.

The college faculty Dr A.P. Bedse and Prof. K.P Mahajan has uploaded Educational videos on **UDEMY**, a global Teaching-Learning Platform, connecting millions of students to the skills they need to succeed. Our staff also prepared > 1400 youtube videos and uploaded on YouTube for theory as well as practical syllabus.

Paper Presentation

Dr. Rakesh Amrutkar presented paper entitled "Design, synthesis and evaluation of novel RTK-inhibitors as potential anticancer agents" in RAKCOPS International e-Conference on Drug Development 2021 (RAKCOPS-ICDD 2021) on May 23rd and 24th, 2021.

Infrastructure Laboratories

Six well-furnished spacious and well-ventilated laboratories with modern equipment and facilities were developed.

Newly Developed Laboratories

Admission Activities

For HSC students, the college held two events: Career Opportunities after B. Pharmacy on July 1, 2021, and Career Opportunities after D. Pharmacy on August 3, 2021. A two-week CET online crash course was also held at the college (daily 90 Min lecture). Principal Dr. Prof. K. S. Jain, Dr. Rakesh Amrutkar, Prof. Deepali Kadam, and Prof. Manoj Shinde gave chemistry lectures in the crash course. The crash course garnered a lot of positive feedback.

NAAC

NAAC preparation has been started in college. Criteria wise committees were prepared and orientation sessions for the same were conducted by Dr. Prof. K. S. Jain on August 24th and by Prof. K. P. Baviskar on August 26th, 2021. NAAC meetings are conducted every Tuesday.

Academic activities

The teaching learning process is given utmost emphasis by the faculty and is coupled with regular counselling sessions for the students by the teacher guardians. 100% syllabus completion was done for previous academic year. 925 online lectures were conducted from March 2021 to September 2021. 76 practical e-content videos were added in the previous video library and uploaded on YouTube.

Faculty Development Programme

Staff attends FDP, webinars, and workshops on a regular basis. In the previous four months, staff attended 55 FDPs, webinars, and workshops. 118 students have enrolled in seven

1st Oct 2021

different Swayam NPTEL courses and have completed seven assignments.

GPAT Activity

In-house GPAT sessions and exams are held on a regular basis for third and fourth-year students on a variety of subjects in accordance with the GPAT syllabus. 137 students have registered for GPAT activity. To date, 7 GPAT sessions and 6 practise tests have been held, with many more to follow.

FDP Attended by staff:

Sr. No.	FDP	No. of staff attended the FDP
1	AICTE's "INCORPORATING UNIVERSAL HUMAN VALUES IN EDUCATION"	15
2	ICT tools certificate course by National Institute of Technical Teachers Training and Research (NITTTR), Chandigarh, "Advances in Pharmacy Education"	04
3	"NEP 2020: Managing Change in Organisations"	10
4	"Ph. D. Research Make it Acceptable, Valuable with Research Integrity and IPR"	03

Review of Exam activities conducted for A.Y.2020-21

Following activities were conducted for Sem-I, Sem-IV, Sem-VI and Sem-VIII.

- Online Unit tests (5/Semester)
- Online Sessional Examinations [Theory & Practical- (2/Semester)].
- Online submission of marks on DBATU portal.
- Question-Answer Session before Sessional Examinations and End Semester Examination.
- End Semester Examinations (Theory & Practical).

Enhancement of reading skills in literature

K. K. Wagh College of Pharmacy, in cooperation with IISER, Pune, hosted a Webinar on “How to Read Scientific Literature & Introduction to MANAV –The Human ATLAS Initiative” on September 8, 2021 from 3:00 to 4:00 pm. Dr. Anupama Harshal W., Consultant (Science Communication & Public Engagement) at IISER, Pune, educated the audience on how to read and understand scientific publications in a couple of moments.

Farewell Function

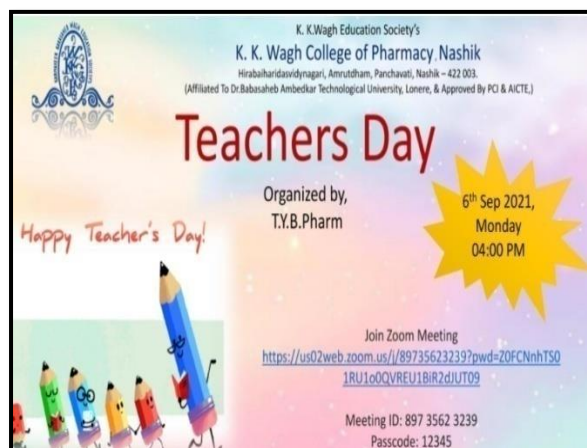

On the 4th of September 2021, K.K. Wagh College of Pharmacy hosted a farewell function for the final year B. Pharm. students. This programme included third-year pharmacy students as well as teachers. Dr. S. V. Kute, Mr. V. S. Mane, Shri. R. A. Herole, and Shri. R. B. Tiwari were the program's guests of honour. The audience was addressed by both the guest and the Principal Sir. Some students spoke about their college experience. University Rankers, GPAT Crackers, and NIPER Crackers received mementos and certificates. Pratiksha Jadhav was given the

1st Oct 2021

prize for best outgoing student. The guests published the first T&P Brochure and e-newsletter. Students and Prof. K.P. Mahajan Madam created an amazing video on the humorous moments of college life of final year students. Students also sent bytes about their college experiences. As students took photographs around the college building where they had spent so much time, there was a lot of emotion and nostalgia.

Teacher's Day Celebration

Third-year B. Pharm students conducted a teacher appreciation party on September 6, 2021. All of the professors were invited to an online zoom meeting organised by the students. Students presented poetry, dance, and riddles during the event. Following the event, all staff members are greeted with cake cutting and greetings.

Online Teacher's Day Celebration
