About Society

K. K. Wagh Education Society is a leading educational trust in Nashik District. It was established in 1970 by the visionary leader Late Padma Shri Karmaveer Kakasaheb Wagh. He realized the importance of education for upliftment of rural masses and started with a girls school in Niphad Tahasil. Earlier he was active in the development of Maratha Vidya Prasarak Samaj, which has been established as a center of learning for over 100 years. He was also instrumental in setting up three co-operative sugar factories in Nashik district. As a leader of farmers, he represented Niphad Tehsil in the state legislative assembly.

K. K. Wagh Education Society later on received a land of 23 acres from the well-known Philanthropist, Late Ratansey Haridas Udeshi (Kakuseth) of Hirabai Hansaraj Surji Charitable Trust and was utilized by K. K. Wagh Education Society to establish an ideal Technical Campus. This campus is named as 'Hirabai Haridas Vidyanagari' in the name of his mother "Hirabai Haridas". The picturesque campus houses the Engineering College, Polytechnic, Pharmacy, Sports ground, Gymnasium, Canteen, Guest Houses, Society Office, Hostels etc. Kakuseth has established many Schools, Colleges, Dispensaries, Dharam Shalas, Sanatoriums and Temples in many Parts of India."

Later on other educational institutes in the field of Agriculture, Education, Fine Arts, Nursing, Performing Arts were started in the campus at Sararaswatinagar, Nashik. English Medium Schools, Jr. College and CBSE Schools are also run by the trust in Nashik City & Niphad Tehsil.

With the vision of empowering the youth through quality education, K. K. Wagh Education Society started colleges with faculties like Arts, Science, Commerce, Computer Science etc. at Nashik, Pimplas (Ramache), Kakasaheb Nagar and Chandori. These colleges are useful for the children of farmers who were deprived of higher education due to non availability of colleges in their native place. In Chandori village Pharmacy Institute is established for rural students.

The objective of K. K. Wagh Education Society is to provide quality education at affordable cost. The quality culture has been developed in all the institutes. All institutes have State-of-the-Art laboratories with latest equipments, computers & internet connectivity. Other facilities provided to the students include gymnasium and sport facilities, hostels for boys and girls, mess and canteen, transportation facility etc. Highly motivated and qualified faculty engaged in teaching, research, consultancy, training, testing and designing is a major strength of all the institutes.

A small sapling planted by Karmaveer Kakasaheb Wagh has grown into a full tree with 32 institutes having over 20,000 students engaged in studies from K.G. to Ph.D. in various fields. There are over 1,800 dedicated employees following the Indian ethics and striving hard towards developing the World Class institutes.

About College

The institute is situated in a lush green educational campus at Amrutdham, Panchavati, in Nashik city, which known for its religious, agricultural as well as geographical background; in the state of Maharashtra. The institute is managed by the renowned K. K. Wagh Education Society, Nashik, serving to the field of education and imparting academic excellence for more than 50 years.

The institute is committed for overall enrichment of students by inculcating confidence and developing competence levels to groom them into industry ready competent professionals who can render ethical healthcare services to the society and nation. The finest quality practices are followed under the able guidance of competent and experienced faculty as well as experts from academics and industry. The curriculum delivery is well planned, systematic and effectively done through state of the art infrastructure comprising of spacious well equipped laboratories with sophisticated instruments, classrooms and amenities, well stacked library with e-resources, high speed internet connectivity and latest IT facilities.

Besides technical education the students are also trained by various add-on certificate courses for augmenting their soft skills, communication skills and personality development. Industry institute interaction is the routine practice adopted by the institute through various expert sessions, workshops, internship programs and industrial visits. Student and faculty development is the integral part towards excellent educational standards and institute offers facilities and financial assistance to promote teaching learning experience.

Students, parents, alumni, employers and industry are the main stake holders motivating us in our pursuit for excellence in education which is well supported by insightful mentoring system, training and placement cell, social welfare cell and NSS. Enrichment of knowledge is the continuous process and we strive for improvements through feedbacks from our stakeholders.

Vision

To develop the institute as a global brand, imparting quality education in the pharmacy field, thereby, creating competent and expert pharmacists ready to serve the healthcare industry and society.

Mission

- To impart quality technical education to students to make them self- dependent, competent and expert pharmacy professional.
- To inculcate and imbibe in students moral and ethical values as well as lifelong learning skills.
- To provide state of the art infrastructure and right conditions and conducive atmosphere to learning, research and innovation.
- To collaborate with industries for innovation to meet global health challenges.
- To make students aware regarding their responsibilities and duties towards the community, society and humanity.

Chairman's Message

It is a real pleasure for me to welcome you to the K. K. Wagh Group of Institutions.

K. K. Wagh has been synonymously with quality education for over 50 years and been a responsible member of India.

As a Chairman of the K. K. Wagh Trust, I feel proud in sharing that the Trust has stayed true to its objective and vision throughout the years. We believe that quality education is the best and most assured route to prosperity and development of the society.

It is with this vision that our founding father, Shri. Kakasaheb Wagh, followed by our beloved Trust President, Balasaheb Wagh (Bhau), contributed towards the development of rural India. Today, with over 30 institutes under its umbrella, K. K. Wagh provides programs for the complete and holistic development of child and youth in the urban and rural regions of Nashik. We offer courses in Engineering, Pharmacy, Agriculture, School Education, Fine Art and Performing Art along with traditional Arts, Science and Commerce courses. You may be surprised to know that at any given point there are more than 20,000 learners across the programs of K. K. Wagh.

Our alumni continues to excel in various fields and are leading teams in international corporations. When someone asks, "How do I measure the success of K. K. Wagh?" I reflect on two crucial attributes; Firstly, we have students whose parents graduated from this very campus... what else can be a true testament to the value that we offer for generations to believe in us! Secondly, the longevity of the members of K. K. Wagh in the system. The springboard that we provide students is built by dedicated staff who believes in the vision and values of K. K. Wagh. Year after year, decade after decade they have worked with the same zeal.

Today, we stand at a very interesting crossroad in the field of education. "The competitiveness of a nation comes from its people and the human capacity comes from education." The proposed National Education Policy, 2020 has come with exciting opportunities for learners and academicians. It demands dedication, authenticity and innovation from educational institutes to develop skilled and valued citizens for sustainable development. Half a century ago, K. K. Wagh led the movement for top-class institutions. Again, the time has come when major institutes will have to lead the 21st century to implement the NEP. At K. K. Wagh we are ready for this challenge and are committed to lead the next phase. I invite you all to experience and engage with the K. K. Wagh Trust in this new phase.

K. K. Wagh - Contributing to Nation Development by Building Human Capacity.

Warm Wishes

Sameer B. Wagh

Chairman

K.K. Wagh Education Society,

Nashik

Founder & Visionary of K. K. Wagh

Balasaheb Wagh alias Bhau

.... a symbol of

DETERMINATION - DEVOTION - DILIGENCE

The late Balasaheb Devram Wagh alias Bhau (1932-2022) was born in the legendary family of Padmashri Karmaveer Kakasaheb Wagh.

He was an Agriculture graduate and started his career in cooperative and agriculture gathering field experience in these sectors. Due to his scientific temper and rational approach, he succeeded in increasing the productivity of various sugar factories and brought them into the limelight.

Later, he founded the K. K. Wagh Education Society in 1970 and played an instrumental role in shaping this society. Owing to his dedicated efforts, able stewardship and interest in providing students with diverse fields of education like Engineering, Agriculture, Pharmacy, Polytechnics, Senior Colleges and school education (SSC & CBSE schools). The K. K. Wagh Education Society could establish 9 campuses by 2022.

A man of principles, he brought the light of knowledge into the lives of the rural population by providing education, especially for girls, at an affordable cost. His main focus was always on giving "Quality education to all students".

Being a man who believed in top quality, he strived so that the mark of K. K. Wagh spread across the globe from rural areas. Due to his constant support and engagement, more than 200 staff members have upgraded their educational qualifications and acquired degrees from institutes of repute in India.

His rich experience in agriculture and love for nature prompted him to encourage biodiversity on all campuses of K. K. Wagh Education Society and his efforts have borne fruit in the form of rare varieties of plants and a lush green cover at the various learning centers.

He was aware of various social issues and hence inculcated a sense of social responsibility amongst the students. Due to his student-centric approach, all his activities are aimed at the overall holistic development of students. Besides being proud of the Indian heritage and tradition he also had a keen eye in arts and hence to promote culture, he started graduate degree courses in Fine arts and Performing Arts, the only institutes outside Pune offering these courses. He has emphasized on the value system and character building to groom the students and faculty as good citizens of the globe.

A man who lived a very simple life was always busy in giving more to society and spreading knowledge and wisdom. A catalytic force behind three different associations of management of unaided colleges of Engineering, Polytechnic, and Agriculture & Allied. A leader who promoted quality education in various institutes in Maharashtra, and headed several delegations of managements for resolving the various issues along with the government and various organizations.

With his zeal and infinite energy, he tapped people's hearts and inspired them to undertake global challenges. He planted the spirit of K. K. Wagh in each and every one he touched...It is due to his generous approach and dedicated contribution that his memories will be cherished and remembered forever in the minds of several stakeholders.

The K. K. Wagh College of Pharmacy is an excellent place for academic as well as holistic development of students and similarly a good place for faculty and staff.

From the Desk of TPO

The Training and Placement Cell is one of the integral parts of our college. Training & Placement activities are organized throughout the year with a view to prepare the students to appear the campus recruitment process with confidence. Placement Cell interacts with the reputed organizations all over the country for arranging campus interviews for the final year students. We make efforts to organize technical seminars, workshops and corporate expectation sessions. Industry personnel are invited periodically to enrich the knowledge of our student community with the latest technological innovations and industry practices. We produce graduates who are well equipped to handle the working norms of the industry and commerce in the public and private sectors and helping every student to define his/her career interest through individual counselling through experts. The first year pharmacy students are encouraged to participate in various competitions such as debate, group discussion, power point presentation, essay writing, etc. in order to enhance their confidence, reading, writing and communication skills. Students of second year pharmacy are trained on basic language skills in the well-developed Language laboratories of the institute. To prepare and train aspiring learners to face campus recruitment, the third year students are provided with exhaustive training with relevance to communication skills, aptitude test and overall development for personal & professional grooming. These training programs give the students tips on how to crack aptitude, group discussion, interview skills and resume preparation.

The cell also educates the students with various carrier opportunities in different areas such as Public Sector, Armed forces and Government Sectors services by conducting guest lecture regularly. It is observed that most of the reputed companies allow students with 60 % aggregate to appear for the Campus Recruitment Process.

In order to give equal opportunity to all the students of our institute, we follow the policy of "ONE STUDENT ONE OFFER" i.e. once a student is placed in a company, he / she is not permitted to appear for the successive recruitment process of other companies.
